**Presidents Corner:** Hey guys! Nominations for next seasons officers will be accepted beginning at our next meeting with voting occurring at our business meeting on May 11<sup>th</sup>. That will be a pizza night! We asked the members at the last meeting if they preferred pizza or tacos and it was overwhelmingly pizza. The members made a motion to have the Board write a letter to MHM in support of naming Jerry' Corner; Seconded, Motion Carried. Our last **Condor Cup** race was canceled Sat. The lifts were on wind standby and the snow was too soft to safely race. Our race gurus Ed and Terry will try to reschedule. Being the party animals most of us Schnee boys are we reconvened at Ed Rogers's house to have an awesome BBQ. We had smoked salmon, marinated beef and elk sausage appetizers. We then moved on to the main course of deer burgers provided by Danny Hummel and Eddy's great tuna salad. I would venture a guess that not many of us in attendance ate again for the rest of the day. THANKS guys it was great! There may have been a few beers drunk too. We had a late afternoon Texas Hold 'em game at Trails End. Danny Hummel came from behind to kick everyone's ASS. Even though the race was postponed it was a fun and maybe a little drunk day. Our **PACRAT** boys were awarded the second place trophy at the annual Rat Attack party at the Refectory. We came back from a fourteenth place start. Congratulations guys! We lost to that women's club by three points. We'll try harder next season to get that coveted first place. On another note, we have the new **SVSC** travel coffee mugs in I will have them at our next meeting. They are provided by Peter Dodd, they're \$12 each, money talks, pay with cash or a check made out to Peter. **Our next meeting is at the Buffalo Gap April 13th, doors open at 615p and the meeting starts at 7p.** Dave

**Racing:** Dale Parshall has three lift tickets for Timberline available, good through May 31<sup>st</sup>. Two were purchased by the club and are yours for \$42 each. Price is negotiable on the third. 503-367-7369. Terry and Ed set a great course for us for the Club Championships and Snow Bird. The weather cooperated and the BBQ at the bottom of the course was great. Then it was on to the Lion's Club and the annual steak fry and awards. 80 of us and our guests showed up and had a great time. A few Red Bulls and vodkas put the race crew in a great mood and our rookies came through with hazmat outfits to clean-up after everyone. Then awards were handed out for the nine race categories and the Snow Bird. (see attachment) **Snowbird:** A separate course was set for the Snow Birds following the Club Championship Races. We had eleven participants with the top three winning \$\$ for the Calcutta. Third place was Dexter Hill (52.40) which won Don Clay \$36. Second place was Matt Jacoby (52.10) with \$72 going to Terry Jondahl. And first place with his name going on the trophy was Charlie (I might miss gates in the Championships but I got all of them in the Snow Bird) Dobson (51.50) with \$132 going to Tom Templeton.

**Raft Trip:** The raft trip is coming up July 9, 10 and 11<sup>th</sup>. Raft and camp \$70.00; raft only \$50.00; camp only \$20.00 (per person); RV \$64.00; (add \$5 for each ala cart item for guests other than spouse or girlfriend). We checked on hotel guest rooms, the Imperial Hotel is totally booked as of now for a wedding. There is a possibility you can get a room there if you check with them June 2<sup>nd</sup>. In the mean time we checked with the other three hotels in town: The Oasis (Mark Malefyt 541-395-2731 [mark@deschutesriverflyfishing.com](mailto:mark@deschutesriverflyfishing.com)) and Deschutes Motel ([carol@deschutesmotel.com](mailto:carol@deschutesmotel.com) 1-877-899-6608) has rooms available to book now. You will need to call to reserve your spot with a credit card. We are working on a Sat. dinner option that we hope to keep at \$25 or less. A sign-up will go around at the next three meetings, otherwise let Dale Parshall know at 503-294-6345 or at; ([dale.parshall@bankofthewest.com](mailto:dale.parshall@bankofthewest.com))

**Copper Spur Dinner:** Will be on the **10th of April** with a cocktail party at Trails End starts at 5pm. The bus will pick us up by the Huckleberry and take us to Cooper Spur at 6pm. We have the whole restaurant and it will hold 52, maybe squeeze in 54 people. So, its first come first served. We have been full the last two years. I already have 40+ people signed up from our last meeting. Thanks, Don Clay-Cell 360-608-3000, Fax 360-574-6261, Hm 360-573-8030, [djclay45@msn.com](mailto:djclay45@msn.com)

**PILOTS; Gotta love 'em:** A guy walks into a pet store and was looking at the animals on display. While he was there, an engineer from the local airport walked in and said to the shopkeeper, "I'd like a Line Service monkey, please."... The clerk nodded, went to a cage at the side of the store and took out a monkey. He put a collar and leash on the animal and handed it to the engineer, saying, "That'll be \$1,000." The engineer paid and left with the monkey. Surprised, the first customer went to the shopkeeper and said, "That was a very expensive monkey. Most of them are only a few hundred dollars. Why did that one cost so much?" The shopkeeper answered, "Ah-----that was a line service monkey. He can park, fuel, and service all types of aircraft, conduct all required ground ops testing, rig aircraft flight controls, and all with no mistakes. He's well worth the money. "With his interest peaked, the customer then looked around and spotted a monkey in another cage with a \$10,000 price tag."That one's even more expensive! What can it do?" he asked. "Oh, that one is a ' Maintenance Supervisor ' monkey. She can instruct at all levels of aircraft maintenance, supervise all corrective and preventive maintenance programs, supervise a crew of maintainers, and even do most of the paperwork. A very useful monkey indeed," replied the shopkeeper. The customer continued to look around the shop a little longer and found a third monkey in a cage. The price tag read \$50,000. Reading that the customer said, "\$50,000!"Holy shit, what does this one do?" "Well", the shopkeeper said, "I've never actually seen him do anything but drink beer, screw the girl monkeys, play with his c---, but his papers say he's a pilot!"
