The Green Buzzard

Presidents Corner: Hey guys! Nominations for next season's officers will be accepted at our next two meetings with voting occurring at our business meeting on May 11th. That will be a pizza night! We will be voting on two guys for Associate membership next meeting, Jack Folliard and Chris Shepard. Ray Noble talked with the fellow he gets garments for the Sidelines about some stuff for us. The garments are good quality and the prices are right. We also can order only what we want not a set amount to get the better prices. Stay tuned. In reviewing the Clubs costs and ways to save money the Board has identified a cost, besides racing, that we can control. The snail mailing of the Buzzard is costing us \$800 per year. We have 31 members we mail to. Five of them we know have email available to them. That is approx. \$25 per year for each person we mail to. If you can receive your Buzzard by email let Ron know ASAP. We may have to set a date certain to discontinue all snail mail. Things up on the hill seem to be slowing down as far as events go but there is plenty of great spring skiing to be had by all. The areas I've been to in the last few weeks have plenty of snow to keep us content for weeks to come. We had our first rounds of officer nominations and your current board got the early nominations. See ya on the slopes or at Lou's BBQ this Sat. If your last name begins with A-M please bring a side dish if N-Z bring a dessert. This is put on by Lou and friends make sure you tell them how much you appreciate the BBQ. Also, BYOB! On another note, we have the new **SVSC** travel coffee mugs I will have them at our next meeting. They are provided by Peter Dodd, they're \$12 each, money talks, pay with cash or a check made out to Peter. (Dave won't mention it, but he was elected NWSCC "Man of the Year", Ron.) **Our next meeting is at the Buffalo Gap April 27th, doors open at 615p and the meeting starts at 7p.** Dave

Racing: Dale Parshall has three lift tickets for Timberline available, good through May 31st. Two were purchased by the club and are yours for \$42 each. Price is negotiable on the third. 503-367-7369. The 3rd Condor Cup race has been canceled for this season. We may have made a small profit on the Masters this year. The NWSCC Bachelor Blast is this weekend Contact Dale if you want to sign up.

Raft Trip: The raft trip is coming up July 9, 10 and 11th. Raft and camp \$70.00; raft only \$50.00; camp only \$20.00 (per person); RV \$64.00; (add \$5 for each ala cart item for guests other than spouse or girlfriend). We checked on hotel guest rooms, the Imperial Hotel is totally booked as of now for a wedding. There is a possibility you can get a room there if you check with them June 2nd. In the mean time we checked with the other three hotels in town: The Oasis (Mark Malefyt 541-395-2731 mark@deschutesriverflyfishing.com) and Deschutes Motel (carol@deschutesmotel.com 1-877-899-6608) have rooms available to book now. You will need to call to reserve your spot with a credit card. We are working on a Sat. dinner option that we hope to keep at \$25 or less. A sign-up will go around at the next three meetings, otherwise let Dale Parshall know at 503-294-6345 or at; (dale.parshall@bankofthewest.com)

Golf Tourney: The tourney will be held at Lewis River on Aug 14th. The first tee time will be about 10a. The cost will be \$65 which includes green fee, carts and food. If you'd like to get registered contact Don Clay, this event usually fills up soon.

Ethics 101; You are driving down the road in your Corvette on a wild, stormy night, when you pass by a bus stop and you see three people waiting for the bus: 1. An old lady who looks as if she is about to die. 2. An old friend who once saved your life. 3. The perfect partner you have been dreaming about. Which one would you choose to offer a ride to, knowing that there could only be one passenger in your Corvette? Think before you continue reading. This is a moral/ethical dilemma that was once actually used as part of a job application. You could pick up the old lady, because she is going to die and thus you should save her first. Or you could take the old friend because he once saved your life, and this would be the perfect chance to pay him back. However, you may never be able to find your perfect mate again. **YOU WON'T BELIEVE THIS.** The candidate who was hired (out of 200 applicants) had no trouble coming up with his answer. He simply answered: 'I would give the car keys to my old friend and let him take the lady to the hospital. I would stay behind and wait for the bus with the partner of my dreams.' Sometimes, we gain more if we are able to give up our stubborn thought limitations. Never forget to 'Think Outside of the Box.' **HOWEVER!** The correct answer is to run the old lady over and put her out of her misery, have sex with the perfect partner on the hood of the car, then drive off with the old friend for a few beers. God, I just love happy endings!
