Presidents Corner: Hey guys, well I guess we all have our Spring project done, at least inside. The Grinch not only stole Christmas but now he's gone and taken spring. Note to the Grinch, BRING BACK THE ***** SUN NOW. Back to serious stuff; we have the Highway clean up this Sat. @ 9:30 AM I have only heard from three of our rookies so I am expecting the rest to be there it's quick easy and lots of good fun and burgers at Hucks. We are having another low turnout for the Raft trip this year we need your participation for this event to continue and be the success it once was. As members of **SVSC** your attendance and the event leader make them a success, please get involved. You make the club. Last night I was elected to the position of VP for the NWSCC. As President of **SVSC** our club comes first. I hope to see all of you at some of or all of our summer events, Dave Rasmussen

Raft Trip: The raft trip is coming up July 9, 10 and 11th. Raft and camp **\$70.00**; raft only **\$50.00**; camp only **\$20.00** (per person); RV **\$64.00**; (add \$5 for each ala cart item for guests other than spouse or girlfriend). We checked on hotel guest rooms, the Imperial Hotel is totally booked as of now for a wedding. There is a possibility you can get a room there if you check with them after June 2nd. In the mean time we checked with the other three hotels in town: The Oasis (Mark Malefyt 541-395-2731 mark@deschutesriverflyfishing.com) and Deschutes Motel (carol@deschutesmotel.com 1-877-899-6608) have rooms available to book now. You will need to call to reserve your spot with a credit card. We are working on a Sat. dinner option that we hope to keep at \$25 or less. A sign-up will go around at the next three meetings, otherwise let Dale Parshall know at 503-294-6345 or at; (dale.parshall@bankofthewest.com)

Golf Tourney: The tourney will be held at Lewis River on Aug 14th. The first tee time will be 10a. The cost will be \$65 which includes green fee, carts and food. If you'd like to get registered contact Don Clay or Dan Keser, this event usually fills up quickly; there are only 40 spots.

Highway Cleanup: The highway clean-up is this Saturday, **June 19th**. Meet at the east end of the Ski Bowl parking lot at 9:30AM. We have had poor turn outs the last few times, so please make an effort to be there. The more we have, the faster it goes. We are usually done within one to two hours, depending on turn out. Those that participate will have burgers provided by the Club at the Huckleberry Inn at 11:30ish. All **Associates** are required to attend the cleanup portion. If for some reason you cannot schedule this into your calendar you must contact the Club President Dave Rasmussen for a waiver (tofish50@msn.com). The **second** cleanup will be **Sept 11th** with the shotgun shoot and BBQ to follow. Two boxes of shells will cost approx \$20 also bring \$1.00 bills so you can participate in the contests. You do not need to own a shotgun to participate. **NO DRINKING** before or during the shooting segment. If you take a drink you will be done with all gun handling during this function. Both cleanups will meet at 930a at the East Side of Ski Bowl Parking Lot.

The Green Buzzard: As you know if you've been reading your Buzzard, we as a Club must cut back on expenses where ever we can find them to keep our traditional activities viable. The Board has determined that all snail mail will be discontinued at the end of 2012 and anyone that currently has email capability will receive their Club information beginning June 1st of 2010 by email only. We hope that the others will get email ASAP so we can stop their snail mail earlier. For each member that receives snail mail it costs the Club \$25-\$30 each year. We can no longer afford that luxury and it is not fair to the Email members to subsidize the others. We do hope this change is no more than a slight inconvenience to you.
