**Presidents Corner:** Gentlemen, I trust the summer is going well. Can you believe we have passed the mid-point? Fall and a new ski season are just around the corner. This month we have our picnic and a bit'o golf --the first club meeting is in Sept! Time just seems to just sprint by. Enjoy the summer and keep yer prayers strong for Brother Jack Weigand

**SVSC Golf Tourney:** Aug 15<sup>th</sup> is our golf tournament, tee time starts at 930a at Eastmoreland. A BBQ will be held afterwards and awards will be handed out. Contact Don Clay or Dan Keser ASAP so they can keep the tee times as scheduled please confirm your spot no later than July 10<sup>th</sup>.

**Raft Trip:** The group was much smaller this year then times past. However, those who did attend had a great time. We used one rented raft and Jack Clifton and Jenny took the rest in their personal raft. The weather was hot and we were begging to be soaked by each other during the rides down the river. The dinner was held at Charlie's place in Tygh Valley. Had to wait a bit for food but, everyone had a fun time there and on the bus ride back. The one fly in the soup is we had a number of late cancellations that caused problems with the scheduling and logistics of the event. We are thinking that next year we may need to require a pay in advance system with a non-refundable drop dead date to smooth the scheduling. For those of you that missed out this year everything just clicked together; weather, water, food and friends having a good time. We did have an interesting occurrence. During our first night some coolers were stolen from different campsites in the park. Dale had his cooler taken that had beverages. He took a walk around the area and found his cooler up on the road with a bottle of Champagne, a can of whip cream and a couple of beers stolen. The thieves added three cans of Busch though. Someone else's weekend libations.

**Brother Jack Weigand:** For those of you that do not have internet, Jack had to go to the hospital for an operation. On Friday a portion of his lower leg was removed. His daughter, Lynn, informed us that the operation went well and the Doc's are encouraged that the rest of his leg has good circulation. He is currently at Providence Hospital. If you want to visit or call him check with the hospital to make sure what room he is in. He will move, once stable, to a local rehab.

**A DAMN FINE EXPLANATION:** The wife came home early and found her husband in their bedroom making love to a very attractive young woman. And she was somewhat upset. 'You are a disrespectful pig!' she cried. 'How dare you do this to me, a faithful wife, the mother of your children. I'm leaving you. I want a divorce right away!' And the husband replied, 'Hang on just a minute love so at least I can tell you what happened.' 'Fine, go ahead,' she sobbed, 'but they'll be the last words you'll say to me!' And the husband began, 'Well, I was getting into the car to drive home and this young lady asked me for a lift. She looked so down and out and defenseless that I took pity on her and let her into the car. I noticed that she was very thin, not well dressed and very dirty. She told me that she hadn't eaten for three days. So, in my compassion I brought her home and warmed up the enchiladas I made for you last night, the ones you wouldn't eat because you're afraid you'll put on weight. The poor thing devoured them in moments. Since she needed a good clean-up, I suggested a shower and while she was doing that I noticed her clothes were dirty and full of holes so I threw them away. Then, as she needed clothes I gave her the designer jeans that you have had for a few years but don't wear because you say they are too tight. I also gave her the underwear that was your anniversary present which you don't wear because I don't have good taste. I found the sexy blouse my sister gave you for Christmas that you don't wear just to annoy her and I also donated those boots you bought at the expensive boutique and don't wear because someone at work has a pair the same.' The husband took a quick breath and continued, 'She was so grateful for my understanding and help that as I walked her to the door, she turned to me with tears in her eyes and said, 'Please, do you have anything else that your wife doesn't use?'
