Presidents Corner: Hey Guys: Well it's Ski season, all of our local area resorts are open in some form most are running a limited number of lifts. The guys I spoke to on Saturday night who ventured out before our annual Pray for Snow party said the skiing was very good for early season snow. As always our band Forty Fingers put on an excellent show, the crowd was rockin and the building was a shaken until the wee hours of Sunday morning. As we have learned to expect this was a **Huge** success for Schnee Vogeli. A major reason for our great success is all the hard work that our Pray for Snow coordinator, Dale Parshall, puts into this event every year: Thank You! Dale. I also want to thank our silver tongued M C Tom Tempelton for entertaining the audience with raffles and the auction of the two passes from Timberline and Mt Hood Meadows, those two items brought in some extra money for our Club's treasury. I also want to thank all of our members who pitched in to help decorate and man the doors for the evening. This was truly a great effort by all who participated. I know I must have had fun, otherwise I wouldn't feel the way I do today; Sun. See ya on the slopes. **Our next meeting is at the Buffalo Gap, Nov 24th, doors open at 615p and the meeting starts at 7p.**

Pray for More Snow, Dave

Noel Kowalski note: I had occasion to visit with Phil Ringle yesterday and discovered that approximately five weeks ago he sustained a very serious fracture of his femur and is now laid up at home in a healing mode. He was out working on the Christmas tree farm and fell off a tractor and caught his leg as he was falling. In any event if would let the membership know, there may be some "old timer's" that would/could call him and lift his spirits. He is a past **SVSC** President.

Lil' Johnny: During one of her daily classes, a teacher trying to teach good manners, asked her students the following question: 'Michael, if you were on a date having dinner with a nice young lady, how would you tell her that you have to go to the bathroom? Michael said, 'Just a minute, I have to go pee. The teacher responded by saying, 'That would be rude and impolite. What about you Sherman, how would you say it? Sherman said, I am sorry, but I really need to go to the bathroom. I'll be right back. 'That's better, but it's still not very nice to say the word bathroom at the dinner table. 'And you, little Johnny, can you use your brain for once and show us your good manners? 'I would say: Darling, may I please be excused for a moment? I have to shake hands with a very dear friend of mine whom I hope to introduce you to after dinner. The teacher fainted....
