Presidents Corner: Well I guess its officially ski trip season with several of our members on ski trips to Italy, Big White, Powder Mountain and Sun Valley. Hope these guys can share some great stories at the next couple meeting. Speaking of club meetings, turnout has been a bit light at the last couple meetings, but we have some membership votes coming up, so come on out and give these candidates your support. Don't forget to check out the events calendar as we have several great events scheduled for March and April. **Our next club meeting is February 23rd at the Buffalo Gap doors open at 615p and the meeting starts at 7p. Hope to see you there. Pete**

Membership: We will have a full membership vote for Jerry Hartz at our next meeting on Feb 23rd, as well as a possible associate vote for Ted Morris if he is in attendance, so be sure and come out and cast your ballot! If you know of anyone else that enjoys skiing, camaraderie, and would be willing to put up with us, bring them out to a meeting – we'll get 'em signed up! Thanks, Scott

75th Anniversary: Hey guys, I am still looking for some ideas for entertainment for the 75th Anniversary celebration. Need probably a guitar player that can sing to provide background music before and possibly during dinner. Then after we are done offering our "testimonials", in other words bullshitting about the Club, provide music for dancing. Would be nice to have him or her be able to offer some type of comedy show but not necessary. I want to thank Bob Lawrence for recommending someone, but the guy was asking for way too much money. Megan may be able to help us find someone also. It has been suggested that Denny may be available.

Ski the Glade Trail: March 5, 2016 (Saturday) Annually, on the first Saturday of March, by special permit from the Mt. Hood National Forest, the Glade Trail is opened and groomed for this living history event. This full-day event is a chance to experience a historical way of skiing on Mt. Hood. Skiers are shuttled to Timberline Lodge by bus, escorted down the 3.0 mile trail to Government Camp by local guides and the Mt. Hood Ski Patrol. Lunch, Après ski party and prizes are included in this unique fund-raiser for the Mt. Hood Museum. According to Lloyd Musser, Museum Curator and this event director, "this event helps fulfill our mission of preserving and interpreting the history of Mt. Hood. This is a chance for Grandparents to ski with their grandchildren and share the memories of skiing the Glade Trail, when it was the biggest ski adventure on Mt. Hood." This is also a perfect opportunity to ski Sand Canyon, the Blossom trail, and the Alpine trail multiple times! Shuttles will run from 9:00 AM to 4:00 PM allowing ticket holders to make several trail runs.

SVSC Swag: Dave is putting in a clothes order in to the vender in a few days. If you want to get something ordered contact him ASAP.

The Snow Plow: On a bitterly cold winter morning a husband and wife were listening to the radio during breakfast. They heard the announcer say, "We are going to have 8 to 10 inches of snow today. You must park your car on the even-numbered side of the street, so the snow plows can get through." So the wife went out and moved her car. A week later while they are eating breakfast again the radio announcer said, "We are expecting 10 to 12 inches of snow today. You must park your car on the odd-numbered side of the street so the snow plows can get through." The wife went out and moved her car again. The next week they are again having breakfast when the radio announcer says, "We are expecting 12 to 14 inches of snow today. You must park...." Then the electric power went out. The wife was very upset and with a worried look on her face she said, "I don't know what to do. Which side of the street do I need to park on so the snow plows can get through?" With the love and understanding in his voice that all men who are married exhibit, the husband replied, "Why don't you just leave the car in the garage this time?"

Pray for Snow: Is now registered in the state of Oregon for **SVSC**.
