CORNERED BEEF DINNER AT OTTO'S TUE MARCH 15TH AFTER 6P

Presidents Corner: A big thank you to all the volunteers that showed up to help at the Masters Mania Races on March 5th & 6th. The weather cooperated on Saturday for the slalom races, but Sunday's rain made for a challenging race course. Overall this year's Masters Mania races were a success and it looks like we actually made a few dollars to boot. Also, a big shout out to all the Schnee's participating in last weekend's Hope on the Slopes and Oregon Cancer Ski Out charitable fundraisers. Way to represent fellas! Don't forget **tomorrow night is our corned beef & cabbage feed at Otto's.** And this upcoming Saturday our club championship races followed by our annual steak fry and awards dinner. These are always fun events, hope to see you there! **Our next club meeting is March 22nd at the Buffalo Gap. Doors open at 6:15p and the meeting starts at 7p. Hope to see you there. Pete**

75th Anniversary: Hey all please don't forget I am still looking for a musician for the 75th anniversary. He/she needs to be able to play background music as well as dance music. A big plus if this person has a good sense of humor for the event. A dinner and a room for two will be provided at Timberline.

Racing: The Club Championships are March 19th at Ski Bowl followed that evening by the annual awards dinner at the Welches Lion's Club, \$10 at the door for a nice steak dinner. Come out and have some fun and try to get your name on the trophy. After our Snowbird race there will be a **Bill Johnson** Memorial race, proceeds going to Mighty Mites. At some point during the Memorial, Dog Leg will be renamed for Bill. At our March 8th meeting we will hold the **Calcutta** on the Snow Bird competition. Bid on one of six groupings of the qualified Snow Bird racers. Payouts for win, place and show. **It will be a pizza night.** Please note that at our last meeting we voted to require helmets ("snow sport specific") at all our races and training events

Eternal Optimism: Freddie always looked on the bright side. He would constantly irritate his friends with his eternal optimism. No matter how horrible the circumstance, he would always reply, "It could have been worse. To cure him of his annoying habit, his friends decided to invent a situation so completely bad, so terrible, that even Freddie could find no hope in it. So on the golf course one day, one of them said, "Freddie, did you hear about Tom? He came home last night, found his wife in bed with another man, shot them both and then turned the gun on himself!" "That's awful," said Freddie, "But it could have been worse." "How in the hell could it have been worse?" asked his angry friend. "Well," replied Freddie, "If it had happened the night before, I'd be dead now."
