Presidents Corner: Wow, the highway through Govy looks great! Thanks to everyone that showed up for our spring highway clean up despite the rainy weather. Following the cleanup, we all headed to Charlie's for a quick beverage, then to Huck's for bacon cheeeese burgers. Thanks to Eddie and his crew for feeding us and thanks to Dale Parshall for arranging this cleanup for so many years. It was great to catch up with some of our Schnee racers last weekend at the Summer Fun Nationals masters races. We all had a great time, the weather was beautiful, the race courses were great, and our local Mt Hood racers represented well with several podium finishes. This was followed by a fun awards party at the Timberline pool. **Saturday, August 6th, is our Schnee Vogel golf tournament, Club picnic, and Our world famous horseshoe tournament (see additional information below). Don Clay has organized another great Golf tournament** for us this year. Our grill master, Terry Walter has another delicious BBQ menu planned for the picnic. Thanks to Don and Terry for arranging these great events again this year. If you are in need of more Resort at the Mountain golfing, Don Clay has a few more spots open for the His & Hers golfing tournament on August 27nd. This is a very fun tournament for you and your significant other, followed by an awards party at the Rendezvous Grill in Welches. Don't forget about our fall highway cleanup combined with the annual Shotgun shoot on September 10th. This is a fun event for both shooters and non-shooters alike. Hope to see you at the Club Picnic, Pete

Highway Clean up: We had our first highway clean-up on June 18th. 13 members showed up on a potentially wet day (turned out to be mostly dry) and we had it done in an hour and half, then on to Charlie's for a beverage and lunch at the Huckleberry Inn. Thanks to everyone who showed up. It really helps when we get a good group to show up. Next one is Sept 10th before the shotgun shoot. More details to come.

A Harley Biker is riding by the zoo in Washington, DC when he sees a little girl leaning into the lion's cage. Suddenly, the lion grabs her by the collar of her jacket and tries to pull her inside to slaughter her, under the eyes of her screaming parents. The biker jumps off his Harley, runs to the cage and hits the lion square on the nose with a powerful punch. Whimpering from the pain the lion jumps back letting go of the girl, and the biker brings the girl to her terrified parents, who thank him endlessly. A reporter has watched the whole event. The reporter addressing the Harley rider says, "Sir, this was the most gallant and bravest thing I've seen a man do in my whole life." The Harley rider replies, "Why, it was nothing, really. The lion was behind bars. I just saw this little kid in danger, and acted as I felt right." The reporter says, "Well, I'll make sure this won't go unnoticed. I'm a journalist, you know, and tomorrow's paper will have this story on the front page. So, what do you do for a living, and what political affiliation do you have?" The biker replies "I'm a U.S. Marine, a Republican and I'm voting for Trump." The journalist leaves. The following morning the biker buys the paper to see if it indeed brings news of his actions, and reads, on the front page:

"U.S. MARINE ASSAULTS AFRICAN IMMIGRANT & STEALS HIS LUNCH"
