**P** **Residents Corner: Presidents Corner:** October is pre-ski season month with several ski shows and discounts on ski passes throughout the Northwest. Be sure to take advantage of early-bird season pass prices soon, as most of the discount pricing expires the end of October. Pray for Snow is coming up on November 12<sup>th</sup> at Charlie's and we need your help selling tickets. There are quite a few tickets left so get a bunch from Dale and let's get this year's event sold out early. Jack Walker's SVSC race training at Sun Valley is scheduled for November 19<sup>th</sup> -23<sup>rd</sup>. This should be a ton of fun for some early season training! If you are planning to go, please register soon so Jack can get an idea of how many participants to expect. Just another reminder that we will have a movie night following our October 24<sup>th</sup> meeting. We will be showing the 30 minute documentary on Freddy Nobel: The Nobel Spirit. **Our next club meeting is October 11<sup>th</sup> at the Buffalo Gap. Doors open at 615p and the meeting starts at 7p. Hope to see you there. Pete**

**Membership Dues:** It's that time of year to pay dues for the upcoming season. They are \$60 until Oct 31<sup>st</sup>. Nov 1<sup>st</sup> they increase to \$75. We are focusing our sales to the ski club community and friends. Tickets are available from Dale Parshall; they go fast so get them soon. This is a great fund raiser for **SVSC** so get revved up to sell tickets and mark your calendars to attend this primo party of the season. We will need help at the door, so sign-up for an hour or so shift watching the door.

**From The Club Historian:** The Mt. Hood Museum in Govy is now home to over 10,000 photographs by the late Schnee Dale Crockatt, captured over many years exploring the mountain. After Dale died in July 2015 his photos passed on to the museum, where Jeff Lokting took on the project of archiving them. Dale shot some of the best pictures ever captured of Mount Hood, including his classic photo of Hale Bopp Comet over the mountain at night. Some of Dale's photographs will be printed out and available for sale at the museum; others will be stored electronically and accessible to the public. The collection will be available for public viewing starting on Nov. 12, the day of Pray for Snow. Also, one week earlier on Nov. 5, the museum will hold its annual Heritage Night fundraiser.

**Trump & The Pope:** Seeking a weekend break from his campaign rallies Donald Trump jetted to his yacht, which was docked off the coast of Italy. He invited Pope Francis and the press corps on board for a Saturday afternoon cruise. It was a rather windy day. The Pope's little hat, his zucchetto, was blown from his head and into the water. A crewman began lowering a boat to retrieve the zucchetto. Trump told the crewman not to bother. Trump climbed down the yacht's ladder; walked across the waves, picked up the zucchetto; walked back to the yacht and handed it to the Pope. The Pope and the press corps were amazed! Donald Trump could actually walk on water! Speculation immediately began as to how ABC, CNN, NBC, The Washington Post and New York Times would report this miraculous event to the rest of the world. The next morning the New York Times headline read . . .  
DONALD TRUMP CAN'T SWIM!
