Presidents Corner: This year's Season Ender Bender at the Ratskeller was a blast! The band, 'Hit Machine,' rocked the Bender this year with an estimated crowd of around 100-125 dancing and bendering the night away. Several individuals contributed to make this year's event a success. Thank you to both Jack Walker and Ed Rogers for spearheading the event again this year, along with Bob Lawrence, Bob Brown, Andy Hobart, Dan Lane and Christian Bennett stepping-up to make this a great event. Also thank you to everyone that had a hand in securing door prizes for the event as well as the door duty volunteers. We held the drawing for the Nordica skis at the Season Ender Bender, with the event emcee Andy Hobart winning the skis from Hillcrest. This separate drawing was a huge success, with Schnee Vogeli splitting the proceeds with the Mt Hood Cultural Center and Museum. A big thank you goes out to Dexter Hill and Bob Brown for organizing this drawing and selling all the tickets. At the last meeting we began taking nominations for next year's Club officers. Thus far we have the following members that have accepted nominations for next season's officers: **President:** Jack Walker and Scott Morrison. **VP-Membership:** Bob Brown and Scott Morrison. **VP-Racing:** Terry Walter. **Recording Sec:** Jack Walker. **Corresponding Sec:** Ron Reichardt. **Treasurer:** Dale Parshall. **Historian:** Bob Brown. We will continue taking nominations at the next two meetings with elections held at the final meeting of the season on May 9th. **Our next club meeting is April 25th at the Buffalo Gap. Doors open at 615p and the meeting starts at 7p. Hope to see you there, Pete**

PACRAT: The last PACRAT race was April 2nd and a lively awards banquet was held at the World of Speed in Wilsonville on April 14th. Ruttin' Rats made an effort but were lacking full participation and ended the season in 5th place. The Master Gaters were not a full team and were also lacking full participation so ended the season further down the list. We'll be looking to improve on those results next year. Thanks to those who joined us this year.

SVSC 75th Anniversary : It's getting closer and closer to the **SVSC 75th Anniversary** at Timberline on April 22nd, 2017. This is going to be a very fun and great event with a lot of stories and history of our Club!! There was 27 rooms blocked off for us the night of April 22nd at Timberline and there has been 14 rooms reserved leaving 13 rooms still left. As of several weeks ago they only had 2 rooms available to the general public left. So, if you are planning on staying that night at Timberline call and let them know you are part of the Schnee group. Phone numbers for reservations: [800-547-1406](tel:800-547-1406) or [503-272-3410](tel:503-272-3410). I have attached a list of the people that they have a record of who have made reservations. If you are not on this list but have made reservations, please call Timberline and have them put you on this list for **SVSC** so we know the accurate room count. Also attached is the notice for this event with a form at the bottom to fill out and send in with your portion for this event. **SVSC** is picking up more than half of the cost for everyone. It is \$30 for just the member and another \$40 for your wife, significant other, or the one you're bringing. If you know for sure you're coming, which I hope everyone is, please fill out and get it back to Dale Parshall or mail it in. Deadline is April 1st, 2017. Don Clay

AFTER FLIGHT 77 HIT THE PENTAGON ON 9/11, THE FOLLOWING HAPPENED:

A chaplain, who happened to be assigned to the Pentagon, told of an incident that happened right after Flight 77 hit the Pentagon on 9/11. A daycare facility inside the Pentagon had many children, including infants who were in heavy cribs. The daycare supervisor, looking at all the children they needed to evacuate, was in a panic over what they could do. There were many children, mostly toddlers, as well as the infants that would need to be taken out with the cribs. There was no time to try to bundle them into carriers and strollers. Just then a young Marine came running into the center and asked what they needed. After hearing what the center director was trying to do, he ran back out into the hallway and disappeared. The director thought, "Well, here we are, on our own." About 2 minutes later, that Marine returned with 40 other Marines in tow. Each of them grabbed a crib with a child, and the rest started gathering up toddlers. The director and her staff then helped them take all the children out of the center and down toward the park nears the Potomac. Once they got about 3/4 of a mile outside the building, the Marines stopped in the park, and then did a fabulous thing - they formed a circle with the cribs, which were quite sturdy and heavy, like the covered wagons in the Old West. Inside this circle of cribs, they put the toddlers, to keep them from wandering off. Outside this circle were the 40 Marines, forming a perimeter around the children and waiting for instructions. There they remained until the parents could be notified and come get their children. The chaplain then said, "I don't think any of us saw nor heard of this on any of the news stories of the day. It was an incredible story of our men there." There wasn't a dry eye in the room. The thought of those Marines and what they did and how fast they reacted; could we expect any less from them?
