

MESSAGE FROM HOST

Happy Christmahanakwanzika!! It's the time of year to celebrate with those we love and we love you! Please feel free to come dressed in your glittery holiday best and join us for some hot buttered rum (or other yummy beverages) and holiday goodies galore. Remember--calories don't count during the month of December (that's our story and we're stickin' to it). If you have a favorite holiday appetizer or dessert to share, we'd love to share it with you (please do make them table-ready, including any utensils).

Carpooling STRONGLY encouraged (best idea--share an Uber!!)

If bringing a table ready hors d'oeuvre (last name A-K) or dessert (L-Z) please bring serving utensil(s) as well.

There is room for 9 cars in the driveway if you park right (2 at the top, 3 across in the middle and 3 across at the bottom. Plan on staying a while if you park at the top. Otherwise best street parking will be to the west of the house along Interlachen Ln.
