**Presidents Corner:** Happy New Year Brother Schnee's! It was a wild evening last night in Govy ringing in the New Year; I hope you all had a good time wherever you were. I want to thank Dale Parshall for hosting the Schnee Christmas Party last month in conjunction with his annual Hot Buttered Rum Party. From what everyone who attended seems to be able to remember, it was a great time! With the last few storms we've had, there is some great skiing to be had on Mt Hood, even Ski Bowl is open! I hope to see you all on the mountain or at a meeting in the New Year. **Our next club meeting is January 8<sup>th</sup> at the Buffalo Gap. Doors open at 615p and the meeting starts at 7p. Hope to see you there.** – Scott

**The Secret:** A woman goes to her doctor and says she wants an operation because her vagina lips are much too large. She asks the doctor to keep the operation a secret as she is embarrassed and does not want anyone to find out. The doctor agrees. She wakes up from the operation and finds three roses carefully placed on her nightstand. Outraged, she immediately calls the doctor and says "I told you not to tell anyone!" The doctor replies, "Don't worry, I didn't tell a soul!" When the woman inquires about the roses the doctor says, "Oh those! The first rose is from me. I felt bad because you went through this all by yourself. The second rose is from my nurse. She assisted me with your operation and has been through this procedure herself, so she understands what you're going through. And the third rose is from the guy upstairs in the burn unit. He wanted to thank you for his new ears."
