# THE SCHNEE VOGELI SKI CLUB

## ***GREEN BUZZARD***

[WWW.SCHNEEVOGELI.COM](http://WWW.SCHNEEVOGELI.COM)

**President's Corner:** Our annual Pray for Snow party is Saturday November 16th at Charlie's and I expect to see a lot of you there. Sorry, but all of the tickets are sold out so if you don't have yours, you might be out of luck. If you are in Govy early Saturday before the party, come have a beer and help us decorate about 5:00p.

For those you that made it to the Museum for the auction a heritage night, I'd like to extend a huge thank you! I'm looking forward to hearing all about the evening at our next meeting which will be held on November 13 at the Buffalo Gap. Doors open at 6:15p and the meeting starts at 7p. Hope to see you there. – Bob

**Pray For Snow:** As Bob mentioned in his note, the event is sold out. Meet at Charlie's at 5ish to help decorate and stop by Sunday at 10ish to see if any clean-up help is needed. This is a great fund raiser for SVSC so get revved up for this primo party of the season. We will need help at the door. Sign-up to help at the next meeting.

**Rod Hill's Winter Forecast:** Good news! Check it out at <https://youtu.be/MB30lwyJFBg>

**SVSC Racing:** Gentlemen, we have some dates fit to publish!

25	January	Prime Rib and Crab Feed at the Huckleberry Inn in Government Camp
2	February	Condor Cup #1: Dual Super Slalom at Mt. Hood Meadows
14	March	Condor Cup #2: Dual Giant Slalom at Ski Bowl
21	March	SVSC Club Championships: Dual Giant Slalom at Ski Bowl
28	March	Condor Cup #3: Dual Giant Slalom at Timberline

**Membership Dues:** It's that time of year to pay dues for this season. They increased to \$75 as of Nov 1st. Dec. 1st they increase to \$90. Jan 1st those that haven't paid will be removed from the membership rolls. You may pay at the meeting or mail to our PO Box or you can click on the SVSC logo at the bottom right of any page on our website and it will take you to the payment page and you can pay online for a small fee. Thanks, Dale.

**Membership:** Congratulations to our new Schnee Vogeli brothers! Join us in welcoming the following gentlemen into club:

Jeff Langfelt – Associate Membership  
Carson Pike – Full Membership  
Tim Cayton – Full Membership  
Harrison Brown – Full Membership

**There were** two applications handed out at the first October meeting, but never returned for entry into the club records. Anybody have any info on the two guys? Contact Jack Walker.

Remember to help us find new members. Jack Walker will have membership applications at every board meeting. If someone has already been to a function like a race, all they have to do is come to a meeting get an application, list the function they were at and that will count towards the participation requirement...which is: be at three events, meetings, or functions. But to be able to be voted on at any vote night (2nd meeting of the month) they should have an application on file so we know who their sponsors are, the events they have attended, ect. -Jack Walker

**PACRAT Racing:** UPDATED 2020 Schedule: ● Ski Bowl Jan 26 PACRAT race #1 ● Ski Bowl Feb 9 PACRAT race #2 ● Meadows Feb 23 PACRAT race #3 ● Meadows Mar 15 PACRAT race #4 ● Timberline Mar 29 PACRAT race #5 ● Timberline Apr 5 Make-up Race Date ● Apr 17 Rat Attack, location TBA.

All PACRAT dates have been confirmed! We will be making some adjustments to teams this year. Check with Dale. PACRAT registration is online this year. No more paper forms. Check out the registration site via the PACRAT website (pacrats.org).

**Big Fish:** Doctor Smith in Coos Bay was famous on the Oregon Coast for always catching large fish and for winning fishing trophies.

One day while he was on one of his frequent fishing trips off the coast, he got a call that a woman back at the marina was in labor. He hurried to her aid and delivered a healthy baby boy.

Without the usual conveniences of the hospital the doctor had to improvise. To weigh the baby, he used one of the scales from his fishing boat he normally used to weigh fish. The newborn weighed 35 lbs 9 oz.

**Sherlock Holmes** and Dr. Watson go on a camping trip, set up their tent, and fall asleep. Some hours later, Holmes wakes his faithful friend.

“Watson, look up at the sky and tell me what you see.”

Watson replies, “I see millions of stars.”

‘What does that tell you?’

Watson ponders for a minute. “Astronomically speaking, it tells me that there are millions of galaxies and maybe billions of planets. Time-wise, it appears to be approximately a quarter past three. Meteorologically, it seems we will have a beautiful day tomorrow. What does it tell you?”

Holmes is silent for a moment. Then he exclaims, “Watson, you idiot, someone has stolen our tent.”
