THE SCHNEE VOGELI SKI CLUB

GREEN BUZZARD

WWW.SCHNEEVOGELI.COM

President's Corner: My Fellow Schnees,

We had some snow and limited resort openings on Hood!!! I'm looking forward to hearing from anyone that made it up. Another Thanksgiving is in the books. I managed not to overeat. Don't forget the club Christmas party and the Parshall's on December 13th. Race season is just around the corner so get those skis tuned. To help get you in the mood we are planning a World Cup race viewing night, stay tuned for details. Some of you may know that one of my favorite places to ski is South Tyrol in Italy. Here is a video link to the area followed by an article on skiing from Hut to Hut or Hütte (HOOT-uh) as it is known in the Alps. These hütte tend to be independent of the resort and have awesome food, drink and coffee at reasonable prices.

Schnee racers from days of yore. Left 1960s, Right 1950s. Names and dates lost to history. -Christian

Left: Don Bren. Right: Racer unknown. Both believed to be from the 1971 Kandahar. -Christian

Historian's note: If anyone would like copies of any photos or videos I've put in the Buzzard or shown at meetings, I'd be happy to get them to you in whatever format you'd like. Email me directly or send a note to buzzard@schneevogeli.com -Christian

SVSC Christmas Party: Happy Holidays to everyone! Please join us for our annual Holidays and HBRs open house and party! Hot buttered rums will warm your noses and toeses, with other libations to enjoy! Food and friends will also be provided, of course. Your favorite table-ready holiday appetizer is so welcome (no desserts please--we have those covered this year). Your sparkliest holiday attire will delight us all, but so will your comfiest pair of jeans--we just want you there!

Please do consider car-share--we want you to be safe, and parking can be tricky--all those sleighs are in the way. Wishing you a Joyous Holiday Season!! Dale and Sheri

The Circus: A couple took their young son for his first visit to the circus. When his father left to buy popcorn, the boy asked, "Mom, what's that long thing on the elephant?" "That's the elephant's trunk, dear," she replied. "No, Mom, down underneath." His mother blushed and said, "Oh, that's nothing."

The father returned, and the mother went off to get a soda. As soon as she left, the boy repeated his question. The father took a good look and explained, "That's the elephant's penis." "Dad, how come when I asked Mom, she said it was nothing?" The man took a deep breath and replied, "Son, I've spoiled that woman." (Courtesy of Ron Reichardt)

A woman is at home when she hears someone knocking at her door. She goes to the door opens it and sees a man standing there. He asks the lady, "Do you have a vagina?" She slams the door in disgust. The next morning, she hears a knock at the door, it's the same man and he asks the same question to the woman, "Do you have a vagina?"

She slams the door again.

Later night when her husband gets home, she tells him what has happened for the last two days. The husband tells his wife in a loving and concerned voice, "Honey, I am taking off tomorrow so as to be home, just in case this guy shows up again." The next morning, they hear a knock and run for the door. The husband whispers to the wife, "Honey, I'm going to hide behind the door and listen and if it is the same guy, I want you to answer yes to the question because I want to see where he's going with this." She nods yes to her husband and opens the door.

Sure enough, the same fellow is standing there, he asks, "Do you have a Vagina?" "Yes, I do." says the lady. The man replies, "Good. Tell your husband to leave my wife's alone and start using yours!" (Courtesy of Ron Reichardt)

On the farm lived a chicken and a horse, both of whom loved to play together. One day the two were playing, when the horse fell into a bog and began to sink. Scared for his life, the horse whinnied for the chicken to go get the farmer for help! Off the chicken ran, back to the farm.

Arriving at the farm, he realized the farmer had gone to town with the only tractor. Running around, the chicken spied the farmer's new Harley. Finding the keys in the ignition, the chicken sped off with a length of rope hoping he still had time to save his friend's life.

Back at the bog, the horse was surprised, but happy, to see the chicken arrive on the shiny Harley, and he managed to get a hold of the loop of rope the chicken tossed to him. After tying the other end to the rear bumper of the farmer's bike, the chicken then drove slowly forward and, with the aid of the powerful bike, rescued the horse! Happy and proud, the chicken rode the Harley back to the farmhouse. The friendship between the two animals was cemented: Best Buddies, Best Pals.

A few weeks later, the chicken fell into a mud pit, and soon, he too, began to sink and cried out to the horse to save his life! The horse thought a moment, walked over, and straddled the large puddle.

Looking underneath, he told the chicken to grab his Johnson and he would then lift him out of the pit. The chicken got a good grip, and the horse pulled him up and out, saving his life.

The moral of the story? When you're hung like a horse, you don't need a Harley to pick up chicks. (Courtesy of Ron Reichardt)
