2020 Spring Highway Cleanup – Fired Up and Ready to Go

**President's Corner:** Hi my fellow Schnees,

I hope everyone is having a good summer. I don't know about you but I'm ready to put this year behind me. Looks like Hood and Govy have been able to open with social distance rearranging. Needless to say, things are a bit strange. I have been spending every other weekend at the cabin with some of the guys. We have had a very enjoyable time. Lots of BBQ dinners on the deck! Even a drink at T-Line.

Ski news: It looks like some camps have been able to run and even the US ski team has been on the hill. I heard that Mikaela has been spotted.

Looks like we are going to be able to put on the SVSC golf tourney thanks to Mr. Clay, and a BBQ in Govy following. The Wildwood recreation site is currently closed. We'll have a Cornhole Tournament and we'll be doing Hammerschlagen as we don't have access to a horseshoe pit. More details on August events further down in the Buzzard. I want everyone to know if you are not comfortable participating in club gatherings, I understand and so does the rest of the membership. I hope to see many of you on August 8th if not before!

Cheers, Bob

## SVSC Golf & Picnic August 8th, 2020:

**Golf:** Team lists were sent out for the SVSC Golf Tournament on Saturday the 8th of August. It is a shot gun start at 7:30am, so everyone should be there at or before 6:45am as getting checked in and pay may take some time. It is at the Mt Hood Oregon Resort as all of you should know and the format is a scramble. I have also attached the rules, but there will be copies there at the golf course. The fee is \$65 which includes the power cart. There is also a \$5 charge to everyone for Mulligans and to help out with the prizes. IF YOU ARE ON A TEAM AND CAN'T PLAY I NEED TO KNOW AS THERE MAY BE SOME ALTERNATES THAT WANT TO PLAY. If I get 4 more people who want to play that are not signed up I can add another team. (Contact Don directly at djclay45@msn.com)

**Picnic:** The PICNIC, BBQ and awards will be up at Trails Mix in Govy as well as at Trails End.

We will need **canopies and tables** to make this event a success. If you can bring either, please contact President Bob directly at SVSC\_Info@schneevogeli.com. Bring a chair for yourself.

Take the road between the Mt. Hood General Store and Huckleberry's and head up. You can't miss us. Even if you're not golfing, please come join us for the picnic. BRING your own CHAIRS!!! Food is being done by John Orefice and his team and the cooking will start around NOON. This year it will be burgers and sausages from Otto's Sausage Kitchen & Meat Market as well as some salads and potato chips, not sure about desserts. BYOB and remember your chairs.

In lieu of the horseshoes, this year we will have a cornhole tournament and Hammerschlagen. Educate yourselves in advance here:

**All Schnees** are welcome to drop by for a beer on my deck on Saturday August 8. I am at 25804 E. Welches Rd. 503-701-9659. It's a cabin right off of the par 3 9th hole, Pine Cone course. I have two apple trees bordering the golf course. We were here before the golf course was and French Wraps were the binding of choice. I won't require you to have a mask but don't tell Gov. Brown. Bob Repp.

**Highway Cleanup:** The weather held off until the last man was done, then it let loose. 26 of us had our section of highway cleaned-up within an hour. I guess everyone was getting a little bored with the stay at home thing and decided to drive up for the day. Thanks to all who helped. Then it was on to Charlie's for a beverage (or two). While that was going on, the Trails Mix boys set up for a lunch BBQ. One of the pop-ups worked and we borrowed one from Skiyente for a little more shelter (thanks girls). Bob Brown and the gang had a great set-up for burgers and the works. -Dale

President & Grill Master Bob

Thank you Skiyentes for the use of the tent! That burger looks good, Adam.

Mark and Christian improved the canopy immensely

**His & Hers Golf Tournament August 22nd:** The tournament will also be at the Mt Hood Oregon Resort golf course. First tee time will be at 10:30am. Due to NO sign up sheet I will also need to know who wants to play in that. Again, call me at 360-608-3000 or email me at djclay45@msn.com. More info will follow later. -Don Clay

- Scouts are saving aluminum cans, bottles and other items to be recycled. Proceeds will be used to cripple children.
- The sermon this morning: "Jesus Walks on the Water." Tonight's sermon: "Searching for Jesus"
- Ladies--don't forget the rummage sale. It's a chance to get rid of those things not worth keeping around the house. Bring your husbands.
- Don't let worry kill you off - let the Church help.
- Miss Charlene Mason sang "I will not pass this way again," giving obvious pleasure to the congregation.
- For those of you who have children and don't know it, we have a nursery downstairs.
- Next Thursday there will be try-outs for the choir. They need all the help they can get.
- Irving Benson and Jessie Carter were married on October 24 in the church. So ends a friendship that began in their school days.
- A bean supper will be held on Tuesday evening in the church hall. Music will follow.

- At the evening service tonight, the sermon topic will be "What Is Hell?" Come early and listen to our choir practice. Eight new choir robes are currently needed due to the addition of several new members and to the deterioration of some older ones.
- Please place your donation in the envelope along with the deceased person you want remembered.
- The church will host an evening of fine dining, super entertainment and gracious hostility.
- Pot-luck supper Sunday at 5:00 PM - prayer and medication to follow.
- The ladies of the Church have cast off clothing of every kind. They may be seen in the basement on Friday afternoon.
- This evening at 7 PM there will be a hymn singing in the park across from the Church. Bring a blanket and come prepared to sin.
- The pastor would appreciate it if the ladies of the Congregation would lend him their electric girdles for the pancake breakfast next Sunday

- The eighth graders will be presenting Shakespeare's Hamlet in the Church basement Friday at 7 PM. The congregation is invited to attend this tragedy.

**A chicken farmer went to a local bar**, sat next to a woman and ordered a glass of champagne. The woman perked up and said, "How about that? I just ordered a glass of champagne, too!" "What a coincidence," the farmer said. "This is a special day for me, I am celebrating." "This is a special day for me too, I am also celebrating," said the woman. "What a coincidence!" said the farmer.

As they clinked glasses he added, "What are you celebrating?" "My husband and I have been trying to have a child, and today my gynecologist told me that I am pregnant!" "What a coincidence!" said the man. "I'm a chicken farmer and for years all of my hens were infertile, but today they are all laying fertilized eggs." "That's great!" said the woman, "How did your chickens become fertile?" "I used a different cock," he replied. The woman smiled, clinked his glass and said, "What a coincidence!"

**Hungry for company**, a young couple is delighted when a spaceship lands in a field their very isolated farm and out steps a young, very humanoid Martian couple. They get talking and soon the wife invites the Martian couple to dinner. During dinner the conversation is so stimulating and the four get along so well that they decide to swap partners for the night.

The farmer's wife and the Martian get the master bedroom, and when he undresses, she sees that his phallus is very small. "What are you going to do with that?", she can't resist asking. "Watch", he says smartly. He twists his right ear and his penis suddenly grows eight inches in length--but it's still skinny as a pencil. And again, the farmer's wife can't suppress a disparaging comment. So, the Martian twists his left ear, at which his penis grows as thick as a sausage. And he and the woman proceed to screw like crazy.

The next morning the Martian couple take off after cordial farewells, and the farmer turns to his wife. "So how was it?", he asks curiously. "It was fabulous, really out of this world!", reports the wife with a big smile. "How about you?" "Nothing special," admits the farmer. "Kinda weird in fact. All night long she kept playing with my ears."
