THE SCHNEE VOGELI SKI CLUB

GREEN BUZZARD

WWW.SCHNEEVOGELI.COM

President's Corner: Hi Fellas,

Wow so far 2021 has been off to a wild start. Restaurants get the green light only to get snowed in!! But on the other hand, Hood is adding to the base and hopefully that will lead to some club races in the spring, Fingers, toes are crossed!!! I was not able to get up to Hood this past weekend but spoke to a few Schnees that did and surprisingly the snow was hit and miss. I really expected that we would see some deep epic light powder but don't think that was the case. At least we are getting snow. "For No Reason Tailgate" next weekend, Saturday 20th around 3PM @ The Huckleberry parking lot in Govy. Brats on the club, BYOB. Should be a fun time.

Auf Wiedersehen,

Bob

PACRAT Racing: Race 2 (night race) was held Feb 4 at Meadows. The freezing mist made it a bit of a challenge, but we got the race in – the first PACRAT night race ever. All 3 night-session Ruttin' Rats racers and all 4 night-session Schnee Ratten racers made it. Mike Peck was the fastest man at the race with Dale Parshall right behind him (well maybe not right behind – but second fastest nonetheless). After the first combined race (one day race and one night race) Ruttin' Rats are tied for second place, just one point behind. The next day session race in Monday Feb 22 at Meadows and the next night session race is Friday March 5 at Ski Bowl.

• Meadows Feb 22 PACRAT Race 3 (day) • Ski Bowl Mar 5 PACRAT Race 4 (night) • Ski Bowl Mar 12 PACRAT race 5 (night) • Meadows Mar 26 PACRAT Race 6 (day).

Schnee Vogeli Logo Gear: Ed is looking to put together an order for racing coats to fit over your race suit. He also has hats for \$20, and t-shirts for \$7.50 which are already made. Please contact him directly if you'd like to purchase. Call him at 503-643-0182 or email him at edcarman2007@yahoo.com. We'll revisit the idea of reopening the online store in the coming months.

Membership: Hey guys I couldn't be on the last zoom meeting, hope ya all got to meet Jon Rogers? I met him at some training I did with Breanne and Dennis at Timberline, sounds like he will fit right in. He was at the last Masters Mania at Ski Bowl. And he races on a PACRAT team, think the Beer Denners??

Hope to see some of ya at Meadows on Monday for PACRAT! -Jack Walker

SVSC Racing: We're working to get a Terry Walter Condor Cup race on the books. Some restrictions appear to be relaxing and we're hopeful. Stay tuned. Mount Hood Masters Mania scheduled Feb 27-28 is cancelled for 2021. We will be back in 2022. -John Orefice

From our Historian: Look for something in the next issue. Or the one after that. Or...

A Greek and an Irishman were sitting in a Starbucks one day comparing their two cultures.

Over a double latte, the Greek mentioned: "We built the Parthenon, you may recall, along with the Temple of Apollo". "Well, it was the Irish that discovered the Summer and Winter Solstices." "But, it was the Greeks who gave birth to advanced mathematics." "Granted, but it was the Irish who built the first timepieces."

Knowing that he was about to deliver the coup de grace, the Greek pointed out with a note of finality: "Keep in mind that it was the ancient Greeks who invented the notion of sex as a pleasurable activity!"

"True enough, but it was the Irish who got women involved..." -Courtesy of Ron Reichardt

I think I'm going to lose my driver's license and all just because of a stupid police officer. The conversation went like this, when I got pulled over in my car:

Officer: "License and registration, please, I think you are drunk!"

Me: "I assure you; I did not drink anything."

Officer: "Ok, let's do a little test! Imagine driving in the dark on a highway at night, when you see two lights in the distance. What is this?"

Me: "A car."

Officer: "Of course! But which one? A Mercedes, an Audi or a Ford?"

Me: "I have no idea!"

Officer: "So, you're drunk."

Me: "But I didn't drink anything."

Officer: "Okay, one more test -- Imagine, you drive in the dark on a highway at night, and there is one light coming at you. What is it?"

Me: "A motorcycle."

Officer: "Of course! But which one? A Honda, a Kawasaki or a Harley?"

Me: "I have no idea!"

Officer: "As I suspected, you're drunk!"

Then I started to get annoyed and asked a counter question. Me: "So..., counter question -- You're driving in the dark on a highway at night and see a woman on the roadside. She wears a mini skirt, fishnet stockings, high heeled shoes and only a bra as a top. What is this?"

Officer: "A prostitute of course."

Me: "Yes, but which one? Your daughter, your wife or your mother?"

Things went downhill from there and now I have a court date to attend... -Courtesy of Ron Reichardt

A koala bear walks into a brothel, picks out the best-looking girl and heads upstairs with her. While in her room he eats her like a madman doing things she's never even heard of.

After about an hour he gets up heads out the door. The girl stops him and demands payment.

The bear doesn't understand. She has him lookup prostitute in the dictionary, "a person trades sex for money."

Still a little confused he asks, "what does it say about me?" "Koala bear - an Australian native animal that eats bushes and leaves." -Courtesy of Ron Reichardt
