**President's Corner:** Hi Fellas,

The Cascades have seen some pretty good storms the past week or so. Rain, snow, ice and wind caused closures Tline, Meadows and Bachelor. The good is we have added to the base so might see some good late season turns! If you haven't joined us for the zoom meeting check it out. We usually hang out after for to chat.

One last note if you haven't heard Mt Hood lost a great person, raise a glass to Maryanne Hill. She will be missed.

See you at the meeting Tuesday,

Bob

**URGENT NOTICE!** This happened yesterday and is important information for anyone having the Covid jab. A friend of mine had his 2nd dose of the vaccine at the vaccination center, after which he began to have blurred vision on the way home.

When he got home, he called the vaccination center for advice and to ask if he should go see a doctor or be hospitalized. He was asked to go back to the vaccination center immediately as he had left his glasses behind! -Courtesy of Ron

**If you've ever worked for a boss who reacts before getting the facts** and thinking things through, you will love this!

Arcelor-Mittal Steel, feeling it was time for a shakeup, hired a new CEO. The new boss was determined to rid the company of all slackers.

On a tour of the facilities, the CEO noticed a guy leaning against a wall. The room was full of workers and he wanted to let them know that he meant business. He asked the guy, "How much money do you make a week?"

A little surprised, the young man looked at him and said, "I make \$400 a week. Why?"

The CEO said, "Wait right here." He walked back to his office, came back in two minutes, and handed the guy \$1,600 in cash and said, "Here's four weeks' pay. Now GET OUT and don't come back."

Feeling pretty good about himself the CEO looked around the room and asked,

"Does anyone want to tell me what that goof-ball did here?"

From across the room a voice said, "Pizza delivery guy from Domino's." -Courtesy of Ron
