President's Corner: Hi Fellas,

Well we made it the last meeting of the season. Wow what a year with lots of moguls (hurdles) but still had a great season. Fantastic snow and able to pull off some races. Still lots of snow on the hill so Palmer will be great this summer. Make sure and let all the guys know to "zoom in" and vote for next year's board! Also, anyone that wants to come to my place for the last meeting is welcome. RSVP is appreciated, 503-939-7567 or email pdxbrokerbob@gmail.com. See you at the next outdoor function June 12th highway clean up and BBQ.

Ciao, Bob

Highway Cleanup: The first highway cleanup day is currently scheduled for Saturday June 12th. We will meet at the east side of the Ski Bowl parking lot at 9:30AM. The Club will pick up lunch for those that participate. Go to the Rest Area parking lot if you show up late. The more guys that show up the faster the work gets done. We can practice social distancing if still needed. If restaurants/bars are open, lunch will be at the Huckleberry Inn at 11:30. If we get done with the clean-up before 11:30 we can grab a beverage at Charlie's. This is normally a mandatory event for all Associates, but attendance this spring is encouraged but not required. Thanks, Dale.

SVSC Golf Tournament is August 7th, 7:30AM at the Resort. It will be a shotgun start. Picnic details to be announced at a later date. His & Hers will be on August 28th at 10:30 and is not a shotgun start.

Terry Walter Condor Cup Race: We had 23 racers (22 Schnee's, 1 Skiyente) at our single day Terry Walter Condor Cup race on April 24 Meadows. If you weren't there you missed a fun course! Ed and crew set a great course with 28 gates – a dual course panel slalom. The snow was firm and held up for six runs (three races) and the weather held off until after the last run. Thanks to Brian Bogatin who was our starter and Sheri Parshall and Susan Mills who (wo)manned the finish shack/timer. Jesse Scroggins made an appearance and showed the boys how it's done. Peter Dodd and Ed Rogers were close behind. Of course with 5 of the 6 fastest times and Jesse's advanced age and our handicap system for the series (1/2% handicap for each year over 21 and an addition 1/2% for each year over 70), Jesse takes the 2021 Terry Walter Condor Cup. The race was followed by a tailgate BBQ at Trails Mix and after that we went up to Ed's garage for the awards presentation.

If you recall, we had two race days last year, the second coming on March 14 and everything shut down right after that, so we never had an official end of 2020 season awards event. Jesse Scroggins

held the lead going into the March 14, 2020 race day and showed he knows how to run Ed's Gold, although Peter Dodd did have the fastest second race that day. Gary Banik showed he could do some damage with his age handicap and his speed. In the end, Jesse's age and speed won the day and combined with his scores the first race day, was able to take the cup in 2020.

Hopefully we will be back to normal operations next year. -Dale

Four Rules to remember in life:

1. Money can't buy happiness - but it's far more comfortable to cry in a Porsche than on a bicycle.
2. Forgive your enemy - but remember the asshole's name.
3. If you help someone when they're in trouble - they will remember you when they're in trouble again
4. Many people are alive only because it's illegal to shoot them.

BONUS RULE: Condoms do not guarantee safe sex! A friend of mine was wearing one when he was shot by the woman's husband.

A man wanted to get married. He was having trouble choosing among three likely candidates. He gives each woman a present of \$5,000 and watches to see what they do with the money.

The first does a total makeover. She goes to a fancy beauty salon, gets her hair done, new makeup; buys several new outfits and dresses up very nicely for the man. She tells him that she has done this to be more attractive for him because she loves him so much. The man was impressed.

The second goes shopping to buy the man gifts. She gets him a new set of golf clubs, some new gizmos for his computer, and some expensive clothes. As she presents these gifts, she tells him that she has spent all the money on him because she loves him so much. Again, the man is impressed.

The third invests the money in the stock market She earns several times the \$5,000. She gives him back his \$5,000 and reinvests the remainder in a joint account. She tells him that she wants to save for their future because she loves him so much. Obviously, the man was impressed.

The man thought for a long time about what each woman had done with the money he'd given her. Then he married the one with the biggest tits.

A city bus pulls the curb for a pickup, the first of the driver's shift. On steps a nun sees that the bus is empty. The nun then sits behind the driver. In a short moment the nun says, "There is one thing I will regret when I die" Driver asks "And what is that?" The nun responds, "I will regret not having had sex."

Driver perks up answer "There is no one here now, I can pull over and we can have sex. I will never tell." Now the nun's chance answer "I must die a virgin; complete my vows I took to be a nun. I can do anal sex though. But I will not do it with a married man. Are you married?"

The driver happily answers "NO." So, they go to the back of the parked bus and do the business. When finished, the driver while pulling up his pants says, "I must confess, I am married."

The nun responded, "Well, thank you for that. I must confess something too. My name is Tom. And I am on my way to a costume party."
