**Cowboy Boots:** A woman went into a bar in Texas and saw a cowboy with his feet propped up on a table. He had the biggest feet she'd ever seen. The woman asked the cowboy if it's true what they say about men with big feet. The cowboy grinned and said, "Sure is, little lady! Why don't you come on out to the bunk house and let me prove it to you!" The woman wanted to find out for herself, so she spent the night with him. The next morning she handed him a \$50 bill. Blushing, he said, "Well, thank ya Ma'am. I'm real flattered. Ain't nobody ever paid fer mah services before." "Don't be flattered," the woman replied. "Take the money and buy yourself some boots that fit."

**Husbands are husbands:** A man was sitting reading his papers when his wife hit him round the head with a frying pan. 'What was that for?' the man asked. The wife replied, 'That was for the piece of paper with the name Betty on it that I found in your trouser pocket.' The man then said 'When I was at the races last week, Betty was the name of the horse I bet on.' The wife apologized and went on with the housework. Three days later the man is watching TV when his wife bashes him on the head with an even bigger frying pan, knocking him unconscious. Upon re-gaining consciousness the man asked why she had hit him again. Wife replied, 'Your horse phoned!'

**Fallen:** An old priest got sick of everyone in his parish confessing adultery. During one Sunday's sermon he told them, "If one more person confesses to adultery, I'll quit!" Since everyone liked him, they decided to use a code word: "fallen." From then on, anyone who had committed adultery said they had "fallen." This satisfied the old priest and the parishioners, and everything was fine for years, until finally the old priest passed away at the ripe old age of 93. Shortly after the new young priest settled in, he paid a visit to the mayor. The new priest said he was quite concerned. "You have to do something about the sidewalks in this town, Mayor. You can't believe how many people come into the confessional talking about having fallen!" The mayor started to laugh, realizing that no one had explained their code word to the new priest. But before the mayor could explain, the priest shook his finger at the mayor and said, "I don't know why you're laughing; your wife fell three times last week!"

# FIVE Deadly Terms Used by a Woman

## #1 FINE

THIS IS THE WORD WOMEN USE TO END AN ARGUMENT WHEN SHE KNOWS SHE IS RIGHT AND YOU NEED TO SHUT UP.

## #2 NOTHING

MEANS SOMETHING AND YOU NEED TO BE WORRIED.

## # 3 GO AHEAD

THIS IS A DARE, NOT PERMISSION, DON'T DO IT.

## # 4 WHATEVER

A WOMAN'S WAY OF SAYING "SCREW YOU."

## # 5 That's OK

SHE IS THINKING LONG AND HARD ON HOW AND WHEN YOU WILL PAY FOR YOUR MISTAKE

## BONUS WORD: WOW!

THIS IS NOT A COMPLIMENT. SHE'S AMAZED THAT ONE PERSON COULD BE SO STUPID.

**Capt. Buzzard's Note:** Hello everyone this is my warmup edition of the Buzzard. I wanted to thank Andy for handing off the reigns and for getting the Buzzard out over the last couple of years. It is hard to believe but we only have about four months until we can start skiing again the picture below is from Meadows last year. Please send in any pictures of your favorite spots on the mountain and I will get them in the Buzzard.
