### **Membership Dues:**

It's that time of year to pay dues for this season. They are \$60 until Oct. 31st. Nov 1st they increase to \$75. Dec. 1st, they increase to \$90. Jan 1st those that haven't paid will be removed from the membership rolls. Given the situation this year it would probably be easiest to pay online by clicking on the SVSC logo at the bottom right of any page on our website and it will take you to the payment page and you can pay online for a small fee. [Membership Dues Renewal Page \(schneevogeli.com\)](http://schneevogeli.com) Or you can mail to our PO Box or you may pay Dale directly if you see him. Thanks. -Dale

Hit Machine will be playing, Door prized and lots of fun. \$25 tickets. Beer/wine/seltzer type beverages (no mixed drinks). Taco truck will be onsite for food. We should have tickets available at the next meeting. Help us sell tickets and help us at the door if you can. Contact Bob Brown 503.939-7567 or Bob Lawrence 503-939-6862 for tickets if you cannot make it to the next meeting.

**PACRAT Racing:** PACRAT will be having a split-division 2022 race season that will include Friday and Sunday Division races. This is an adaptation from last year's covid modified season which vastly improved course conditions and created less waiting times between race runs. We will not return to night races this season, all races will be day races starting around 10am.

The race schedule will include four Friday Division races, four Sunday Division races, plus a final Combined Division race on a Sunday to wrap up the season.

Did You Know... In Las Vegas there are more Catholic Churches than casinos. Not surprisingly some worshipers at Sunday services will give casino chips rather than cash when the basket is passed. Since they get chips from many different casinos, the churches have devised a method to collect the offerings. The churches send all their collected chips to a nearby Franciscan monastery for sorting and then the chips are taken to the casinos of origin and cashed in. This is done by the chip monks.

## **The Ventriloquist:**

A young ventriloquist is touring the clubs and one night he's doing a show in a small club in a small town in Arkansas. With his dummy on his knee, he's going through his usual dumb blonde jokes when a blonde woman in the fourth row stands on her chair and starts shouting:

"I've heard enough of your blonde jokes. What makes you think you can stereotype women that way? What does the color of a person's hair have to do with her worth as a human being? It's guys like you who keep women like me from being respected at work and in the community and from reaching our full potential as a person, because you and your kind continue to perpetuate discrimination against, not only blondes, but women in general...and all in the name of humor!

" The ventriloquist is embarrassed and begins to apologize, when the blonde yells, "You stay out of this, mister! I'm talking to that little man on your knee!"

## **The Fishing Story**

The king wanted to go fishing, and he asked the royal weather forecaster the forecast for the next few hours. The palace meteorologist assured him that there was no chance of rain. So, the king and the queen went fishing.

On the way he met a man with a fishing pole riding on a donkey, and he asked the man if the fish were biting. The fisherman said, "Your Majesty, you should return to the palace! In just a short time I expect a huge rain storm." The king replied: "I hold the palace meteorologist in high regard. He is an educated and experienced professional. Besides, I pay him very high wages. He gave me a very different forecast. I trust him." So, the king continued on his way.

However, in a short time a torrential rain fell from the sky. The King and Queen were totally soaked. Furious, the king returned to the palace and gave the order to fire the meteorologist. Then he summoned the fisherman and offered him the prestigious position of royal forecaster. The fisherman said, "Your Majesty, I do not know anything about forecasting. I obtain my information from my donkey. If I see my donkey's ears drooping, it means with certainty that it will rain.

"So, the king hired the donkey. And so, began the practice of hiring dumb asses to work in influential positions of government. The practice is unbroken to this very day.

Wine Talking:

A husband and wife are having a quiet evening at home alone. They sit at the table sipping wine, eating savories, talking and generally relaxing. The wife suddenly whispers, "I love you." Husband in disbelief says, "Is that you or the wine talking?" Wife, "It's me talking to the wine!!!!"
