## Membership Dues:

It's past time to pay dues for this season. I'll keep it at \$60 until the first meeting in November (Nov. 9), then they increase to \$75. Dec. 1st, they increase to \$90. Jan 1st those that haven't paid will be removed from the membership rolls. It is probably easiest to pay online by clicking on the SVSC logo at the bottom right of any page on our website and it will take you to the payment page and you can pay online for a small fee. [Membership Dues Renewal Page \(schneevogeli.com\)](http://schneevogeli.com) Or you can mail to our PO Box or you may pay Dale directly if you see him. Thanks. -Dale

## Pray for Snow:

Beer/wine/seltzer type beverages (no mixed drinks). Taco truck will be onsite for food. Tickets are available. Help us sell tickets and **help us at the door** if you can. Contact Bob Brown [robertobrown12@gmail.com](mailto:robertobrown12@gmail.com) or Bob Lawrence at [boblawrence7@runbox.com](mailto:boblawrence7@runbox.com) for tickets or to help at the door if you cannot make it to the next meeting.

## **PACRAT Racing:**

PACRAT will be having a split-division 2022 race season that will include Friday and Sunday Division races. This is an adaptation from last year's covid modified season which vastly improved course conditions and created less waiting times between race runs. We will not return to night races this season, all races will be day races starting around 10am. The race schedule will include four Friday Division races, four Sunday Division races, plus a final Combined Division race on a Sunday to wrap up the season. We will register online like last year and figure out teams once everyone who wants to do PACRAT signs up. If you want to race for the club this year, sign-up under Ruttin' Rats for now. Sign-up details should be coming out shortly.

## THE SHOOTING

Police Officer calls on his radio:

"I have an interesting case here. An old lady shot her husband for walking on her freshly mopped floor. Did you arrest her? Not yet. The floor's still wet."

A text to a neighbor:

Hi, Max. This is Richard, next door. I've been riddled with guilt for a few months and have been trying to get up the courage to tell you face-to-face. When you're not around, I've been sharing your wife, day and night, probably much more than you. I haven't been getting it at home recently. I know that's no excuse. The temptation was just too great. I can't live with the guilt & hope you'll accept my sincere apology and forgive me. Please suggest a fee for usage and I'll pay you. Richard

Max, feeling enraged and betrayed, grabbed his gun, went next door, and shot Richard dead. He returned home, shot his wife, poured himself a stiff drink and sat down on the sofa. Max then looked at his phone and discovered a second text message from Richard.

**SECOND TEXT MESSAGE:**

Hi, Max. Richard here again. Sorry about the typo on my last text. I assume you figured it out and noticed that the darned Spell-Check had changed "wi-fi" to "wife." Technology, huh? It'll be the death of us all.

## THE DOCTOR

A doctor in St John's, Newfoundland, wanted to get off work and go hunting, so he approached his janitor.

"I am going hunting tomorrow Liam, and don't want to close the clinic. I want you to take care of the clinic and take care of all my patients and I'll give you fifty bucks."

"Yes, sir!" answers Liam

The doctor goes hunting and returns the following day and asks:

"So, Liam, how was your day?"

Liam told him that he took care of three patients.

"The first one had a headache so I gave him TYLENOL."

"Bravo Liam! The second one?" asks the doctor.

"The second one had a bad stomach and I gave him MAALOX, sir." says Liam.

"Bravo, bravo! You're good at this. And what about the third one?" asks the Doctor.

"Well Sir, I was sitting here having a smoke and suddenly the door flew open and a woman entered. Like a flame, she undresses, taking off everything including her bra and her panties, and lies down on the table and shouts: HELP ME!  
I haven't seen a man in over two years."

"Lard Tunderin' Jayzus, Liam! What did you do?"

"I put drops in her eyes!"
