### Presidents Corner:

Hi Fellas,

Well we had a fantastic club championship followed by a 10 man Snowbird. Both races had some very competitive runs. Then it was on to Ed Rogers for a fantastic tailgater. Ed set us up with some very tasty shish kebabs. Next was the steak fry, kudos to the Lions club it was very very tasty, steaks, salad and rolls.

A fun awards dinner all around. It was a great end to a great season finally able to get together and have some fun!

Don't forget next Tuesday starts officer nominations. Hope to see many of you then.

## CLUB CHAMPIONSHIP RACERS

## ED'S GARAGE

### **PACRAT Racing:**

We had our 4th PACRAT races on March 20 and March 25 (one Sunday session and one Friday session), both at Meadows. Ruttin' Rats maintained its position ahead of the Skiyente team (that's what we are left shooting for) while Schnee Ratten remained in the same position. For Ruttin' Rats, Bruce Parshall, Jeff Langfeldt and Eric Young were the big point getters for the fourth race and for Schnee Ratten it was Mark Conan and Tim Cayton. We also had the 5th and final race on April 3 at Timberline. It was a combined race with both Friday and Sunday sessions competing. It was good to see all the racers together. We will get final results at the Rat Attack on April 22. Several of our racers continue to reposition themselves after very good races at the end of last season. We have had good participation so far, although family obligations, COVID and some nagging injuries have had an impact on us. -Dale

### **Terry Walter Condor Cup Race:**

We had 30 racers (26 Schnee's, 4 Skiyente's) at our last Terry Walter Condor Cup race on March 19 at Meadows. Weather and course held up for us with a little slipping between runs. Thanks to Brian Bogatin who was our starter and Sheri Parshall who (wo)manned the finish shack/timer and to Ed and the race crew for getting the course up and maintained. Jesse Scroggins and Peter Dodd traded fastest runs over the four run day. As reported at the Steak Fry, Jesse Scroggins was fast enough outright and used his age advantage to win both final races and the season long Terry Walter Condor Cup based on our handicap system for the series (1/2% handicap for each year over 21 and an addition 1/2% for each year over 70). Congratulations Jesse! - Dale

### **The Club Championships:**

The Club Championships were held on March 26th at Ski Bowl followed by the annual awards dinner at the Welches Lion's Club. We had a great turn out with 39 racers including at least three in most race classes. Most were able to complete two runs with a few taking a tumble or choosing to skip the second run. Although the snow was a little soft, the course held up great. Peter Dodd claimed fastest overall (and winner of Class A), although Adam Miller had the fastest single run. Other class winners were: Scott Morrison (B), Gary Gunderson (C), Mark Conan (Sr. A), Jon Brenna (Vet I), Jeff Langfeldt (Vet II), Adam Willis (Vet III), Ken Loop (Vet IV), and Eric Young (Sr. B). After the Club Championships, the course was reset for the Snow Bird race. Tim Cayton was able to navigate the course fastest and claim the Snow Bird crown and he won Gary Gunderson \$330 in the Calcutta. Then about 55 of us and our guests made it down to the Welch's Lion's Club for a fun night of food and awards. Thanks to the Associates who came in their best mountain attire and cleared tables and handed out desserts. Bruce Parshall and John Orefice were designated drivers for about 10-12 of us and we were able to really take advantage of that (mmmmm Red Bull and Vodka)!

## Meadows Dinner:

On April 9<sup>th</sup> is the cocktail party, bus ride and dinner to Mt. Hood Meadows and back to Govy. A cocktail party will be from 5pm to 6pm at Trails End in Govy. (Tom tennies will be served along with to go cups and drinks on the bus.) If you don't know where that is, it's just up the Glade Trail between the general store and Huckleberry Inn, 3<sup>rd</sup> cabin on the right. At 6pm we all head down to the bus in front of Hucks and head to Meadows. After the dinner the bus will take us all back to Govy. The dinner menu is attached and all 3 entrees of \$59 include the cost of the bus, which comes out of the dinner proceeds, and the tip for the dinner. Wages for the cooks, the help, food and the bus have all increased this year. Your drinks will be extra. This year we are trying something new, at that is if you want to go on this trip you must sign up online and pay in advance. This will let Meadows know how many people and what they are wanting for dinner. This is speeding up the payment at the end (except your drink tab) for the dinner. The DEADLINE to sign up for this is April 3<sup>rd</sup> as all the special food needs to be ordered at that date. If you sign up and something comes up that you can't make the dinner PRIOR to April 3<sup>rd</sup> you can cancel, but not after April 3<sup>rd</sup>.

## FASCINATE

The teacher asked the class to use the word "fascinate"

Molly put up her hand and said, "My family went to my granddad's farm, and we all saw his pet sheep. It was fascinating."

The teacher said, "That was good, but I wanted you to use the word 'fascinate; not fascinating'."

Sally raised her hand. She said, "My family went to see Rock City and I was fascinated."

The teacher said, "Well, that was good Sally, but I wanted you to use the word fascinate'."

Little Johnny raised his hand, but the teacher hesitated because she had been burned by Little Johnny before. She finally decided there was no way he could damage the word "fascinate," so she called on him.

Johnny said, "My aunt Carolyn has a sweater with ten buttons, but her tits are so big she can only fasten eight!"

The teacher sat down and cried.

### Pet Bullfrog

A woman went into a pet shop to buy her boyfriend a pet, but after looking around she realized all the pets were very expensive.

A clerk came up and asked if there was something he could help her with.

"I wanted to buy my boyfriend a pet, but all yours are so expensive !"

"Well," said the clerk, "I have a huge bullfrog in the back for \$50.00. Would you like to see it ?"

"\$50.00?? For a frog ??" said the woman.

"It's a special frog. It gives bj's."

The woman decides to buy the frog. She takes it home to her boyfriend, explains the frog and they're both happy.

The woman goes to bed, but around two in the morning she is awakened by pots and pans banging around in the kitchen. She gets up to go see what's going on and gets to the kitchen to see her boyfriend and the frog sitting at the kitchen table looking through cookbooks.

"What are you two doing looking through cookbooks at this hour ?"

The guy looks up at her and says, "Well, if I can teach this frog to cook, you're outta here !!!"
