Presidents Corner:

Hi Fellas,

Hope everyone had a great holiday weekend. Anyone hit the hill? I hear T-Line got over 80" this past week, with more on the way. What a crazy spring this has been so far.

We had a fantastic meeting last week, over 30 guys in attendance. Even saw 2 potential new associates at the meeting. Looks like we will have a good crop of recruits next year. Officer nominations are off to a good start.

We have a few events coming up. The Season Ender Bender is May 7th and then a Highway cleanup on June 18th, more details below.

Only two more meetings for this season and both are vote night's so you don't want to miss them. See you next Tuesday.

Bob

Officer Nominations 2022-2023

We will be voting for officers at the next meeting on Tuesday.

President – Bob Brown

1st Vice President – Christian Bennett

August 6, 2022 SVSC Golf Tournament

EASTER EGG

What did the Easter Egg Say to the Boiling Water?

It's going to take a while to get me hard

I just got laid by some chick.

Two Prostitutes

A couple of young entrepreneurial prostitutes were riding around town with a sign on top of their car that read 'Two prostitutes - \$50.00'

A police officer seeing the sign pulled the ladies over and advised that they had to remove the sign or go to jail.

Right about then a minivan passed by with a sign on the side of it that read 'Jesus Saves'

"How come you don't stop them ?" asked one of the girls.

"Well that's a little different", said the officer "Their sign pertains to religion."

The two ladies pouted a bit but took down the sign and drove off peacefully.

The following day, the same police officer was running radar when he noticed the same two young ladies driving around with another sign on their car.

Figuring he had an easy arrest, he flipped his lights on and began to catch up when he noticed what the new sign read. "Two fallen angels seeking Peter - \$50.00"

Two boys walked into a pharmacy one day, picked out a box of Tampax and proceeded to the checkout counter.

The man at the counter asked the older boy.....

"Son, how old are you?"

"Eight," the boy replied.

The man continued, "Do you know how these are used?"

The boy replied, "Not exactly, but they aren't for me.

They are for my brother, he's four.

We saw on TV that if you use these you would be able to swim and ride a bike.

He can't do either one."

The apartment:

A couple who had their first date decides to go to a hotel accommodation to finalize the beginning of a love relationship.

..When they are on their way to the hotel, the gentleman notices that he does not carry cash and agrees with the lady that she will take care of the \$ 300 that the love affair would cost, and that the next day he will pay her back.

Indeed, the next day as promised, the gentleman decides to send her a check through his secretary, but so that she does not find out about the relationship between the two, he implies that the money is in payment for renting an apartment.

However, he decides to send a check only for \$ 200 instead of the agreed \$ 300, and explains the following reasons:

"Dear lady:

.. I am sending you \$ 200 instead of the \$ 300 as agreed in payment of the apartment I rented, because I expected something else:

1st.) I was expecting a brand new apartment.

2nd.) That it had heating.

3rd.) That it was small and it turned out to be the opposite, because it was used, it was cold and wide.

Sincerely,

Mr. Dissatisfied. "

Upon receiving this, the young lady replied:

"Dear gentleman:

I return your money because I really do not need it, but I must tell you with reference to what your letter says, that you had to know:

1st.) That such a beautiful apartment could not be brand new.

2nd.) That you did not know how to turn on the heating.

3rd.) That it is not my fault that you do not have enough furniture to fill the apartment ".

Sincerely,
The owner."
