The Husband Store

A store that sells 'New' husbands has opened in New York City, where a woman may go to choose a husband. Among the instructions at the entrance is a description of how the store operates:

"You may visit this store ONLY ONCE! There are six floors and the value of the products increases as the shopper ascends the flights. The shopper may choose any item from a particular floor or may choose to go up to the next floor, but you cannot go back down, except to exit the building."

So a woman goes to the Husband Store to find a husband. On the first floor the sign on the door reads:

Floor 1 - These men Have Jobs.

She is intrigued, but continues to the second floor, where the sign reads:

Floor 2 - These men Have Jobs, and Love.

'That's nice,' she thinks, 'but I want more.' So she continues upward. The third floor sign reads:

Floor 3 - These men Have Jobs, Love, and are Extremely Good Looking.

'Wow!' she thinks, but feels compelled to keep going.

She goes to the fourth floor, and the sign reads:

Floor 4 - These men Have Jobs, Love , are Drop-dead Good Looking, and With Housework.

'Oh, mercy me!' she exclaims, 'I can't hardly stand it!' Still, she goes to the fifth floor and the sign reads:

Floor 5 - These men Have Jobs, Love , are Drop-dead Gorgeous, With Housework, and Have a Strong Romantic Streak.

She is so tempted to stay, but she goes to the sixth floor, where the sign reads:

Floor 6 - You are visitor 42,862,724 to this floor. There are no men on this floor. This floor exists solely as proof that women are impossible to please. Thank you for shopping at the Husband Store.

PLEASE NOTE:

To avoid gender bias charges, the store's owner opened a 'New' Wives store just across the street.

The first floor has wives that love sex.

The second floor has wives that love sex and like beer.

The third, fourth, fifth, and sixth floors have never been visited.

The Starter Pistol

A man was having premature ejaculation problems so he went to the doctor. The doctor said, "When you feel like you are getting ready to ejaculate, try startling yourself."

That same day the man went to the store and bought himself a starter pistol and ran home to his wife. That night the two were having sex and found themselves in the 60 position. The man felt the urge to ejaculate and fired the starter pistol.

The next day he went back to the doctor who asked how it went. The man answered, "Not well. When I fired the pistol, my wife pooped on my face, bit three inches off my penis, and my neighbor came out of the closet with his hands in the air."

The Duck Pond

A man invites a friend to watch his prize duck hunting dog at work. They approach the first pond, the dog runs ahead into the brush. He comes back and waves his tail once. The owner tells his friend that this means there is one duck on the pond. They walk up, and sure enough, one duck flies off.

At the second pond, he waves his tail three times. The owner explains that this means there are three ducks on the pond. When they walk up, exactly three ducks take flight.

At the third pond, he runs back and forth, humping the hunters' legs and chasing his tail, and grabbing a stick in his mouth shaking his head violently. The friend asks what in the world this means. The owner explains, "This means there are more fucking ducks on that pond, than you can shake a stick at."
