### President's Corner:

Hi Fellas,

We had a very successful crab feed in Garibaldi, over 300 crabs. Lots of club members and guests came down to partake and even got to take a few crab home. A huge thank you to Ed Rogers, Andy Tag, Peter Dodd and Joe Cain. They worked hard and put out an excellent Crabfeed. The weather was fantastic the seas were flat, we couldn't have asked for a better weekend. A sign of things to come for the ski season! I hope to see many of you at our second meeting of the season at the Buffalo gap.

### New Boots

An elderly couple, Margaret and Bert, moved to Texas. Bert always wanted a pair of authentic cowboy boots, so seeing some on sale, he bought them and wore them home. Walking proudly, he sauntered into the kitchen and said to his wife, 'notice anything different about me'?

Margaret looked him over. "Nope".

Frustrated, Bert stormed off into the bathroom, undressed and walked back into the kitchen completely naked except for the boots. Again he asked Margaret, a little louder this time, ' Notice anything different NOW'?

Margaret looked up and exclaimed, 'Bert, what's different? It's hanging down today, it was hanging down yesterday, it'll be hanging down again tomorrow!'

Furious, Bert yelled, 'AND DO YOU KNOW WHY IT'S HANGING DOWN, MARGARET? ' Nope', she replied. IT'S HANGING DOWN BECAUSE IT'S LOOKING AT MY NEW COWBOY BOOTS!!!!

Without changing her expression, Margaret replied, ' Shoulda bought a hat Bert, shoulda bought a hat.

### Randy Rabbit

When the ark's door was closed, Noah called a meeting with all the animals.

"Listen up!" Noah said. "There will be NO sex on this trip. All of you males take off your penis and hand it to my sons. I will sit over there and write you a receipt. After we see land, you can get your penis back."

After about a week Mr. Rabbit stormed into his wife's cage and was very excited. "Quick!" he said. "Get on my shoulders and look out the window to see if there is any land out there!"

Mrs. Rabbit got on to his shoulders, looked out the window and said, "Sorry, no land yet."

"Damn!" exclaimed Mr. Rabbit.

This went on every day, until Mrs. Rabbit got fed up with him. Mrs. Rabbit asked, "What is the matter with you? You know it will rain for forty days and nights. Only after the water has drained will we be able to see land. But why are you acting so excited every day?"

"Look!" said Mr. Rabbit with a sly expression, as he held out a piece of paper, "I GOT THE HORSE'S RECEIPT!"

### **Little Fireman**

A fireman was working on the engine outside the station, when he noticed a little girl nearby in a little red wagon with little ladders hung off the sides and a garden hose tightly coiled in the middle. The girl was wearing a fireman's helmet. The wagon was being pulled by her dog and her cat. The fireman walked over to take a closer look and said, "That sure is a nice fire engine."

The little girl replied, "Thanks."

The fireman looked a little closer. The girl had tied the wagon to her dogs collar and to the cats testicles. The fireman said, "Little partner, I don't want to tell you how to run your rig, but if you tie that rope around the cats collar, I think you could go faster."

The little girl paused for a moment then replied, "You're probably right, but then I wouldn't have a siren."
