**President's Corner:**

Hi Fellas,

Great seeing everyone at the holiday party. Lots of fun had by all. Drank many bottles of wine, lots of cocktails even a few coffee drinks. Harrison and Jill did a fantastic job with hors d'oeuvres, home made meatballs, deviled eggs and brisket to name a few. Lots of snow this past week and all resorts are open. Heard from a couple guys that went up. They all said it was a great time.

Remember one meeting this month on the 13th at Hillcrest. Dexter will offer some great deals on gear. Club will provide pizza and beer, don't miss it!

Sincerely,

Bob

### Restaurant Fun

A man and a woman are enjoying dinner and each other's company at a restaurant.

They were gazing lovingly at each other and holding hands.

The waitress, taking another order at a table a few steps away, suddenly noticed the woman slowly sliding down her chair and under the table but the man stared straight ahead.

The waitress watched as the woman slid the way down her chair and out of sight under the table. Still, the man stared straight ahead.

The waitress, thinking this behavior a bit risqué and worried that it might offend other diners, went over the table and, tactfully, began by saying to the man, "Pardon, sir, but I think your wife just slid under the table."

The man replied, "Naah.. She just arrived in the restaurant and is heading this way now!"

### **The Fart (Take Two)**

One Sunday, a married couple is in church ... When the woman turns to her husband and says, "I just let out a long, silent fart. What should I do?"

The husband turned to her and said, "Replace the battery in your hearing aid."
