President's Corner:

Hi Fellas,

Happy new year! PACRAT gets under this weekend with the first race. Good luck to all the Racers.

Our last meeting at Hillcrest was a fun one, thanks Dexter and staff! A few of the guys at the shop signed up as associates. We will be back at the Gap for the rest of the season. See everyone on the hill!

Sincerely,

Bob

Membership Dues: It's past time to pay dues for this season. You can still pay \$90 through the first meeting in January. After that, those who haven't paid (or made arrangements with Dale) will be removed from the membership rolls. It is probably easiest to pay online by clicking on the SVSC logo at the bottom right of any page on our website and it will take you to the payment page and you can pay online for a small fee (schneevogeli.com). Or you can mail to our PO Box or you may pay Dale directly if you see him.

PACRAT Racing: We ended up with two full teams plus a single racer team this year. Thanks to all who signed up. There are two sessions this year, Fridays and Sundays. The first races are this coming weekend (Friday January 6, and Sunday January 8) at Meadows. Check your emails for details.

The Next Meeting is happening on Tuesday, January 10th at the Gap. Doors open at 6:15 PM for those of you who'd like to hang out early. Official meeting start time is 7 PM.

Schnee Tee Shirts and other merchandise are being sold by Ed Carman. Please feel free to reach out to him or myself with any inquiries. His contacts are able to provide logo printing on virtually any article of clothing you could wish for. So whether you're looking to represent the club at a local sporting event or if you'd like your wife/girlfriend to represent in the bedroom, we've got you covered.

The Dentist

A dentist starts talking to a girl at a bar. They get along so well that they decide to go to the girl's place.

A few drinks later, the guy takes off his shirt and then washes his hands.

He then takes off his trousers and again washes his hands.

The girl has been watching him and says, "You must be a dentist."

The guy, surprised, says, "Yes How did you figure that out?"

"Easy," she replies. "You keep washing your hands."

One thing leads to another and they make love. After it's over the girl says, "You must be a really good dentist."

The guy, now with an inflated ego, says, "Sure - I'm a good dentist. How did you figure that out?"

The girl replies...."I didn't feel a thing."

Little Johnny at the Horse Auction

Little Johnny attended a horse auction with his father. He watched as his father moved from horse to horse, running his hands up and down the horse's legs and rump, and chest. After a few minutes, Johnny asked, "Dad, why are you doing that?"

His father replied, "Because when I'm buying horses, I have to make sure that they are healthy and in good shape before I buy."

Johnny, looking worried, said, "Dad, I think the UPS guy wants to buy Mom."

Yard Work

After doing some yardwork yesterday I sat down and had a cold beer. The day was quite beautiful, and my drink facilitated some deep thinking. My wife walked by and asked what I was doing.

I said, "Nothing."

Now the reason I said "nothing" instead of saying "just thinking" is because she then would have asked, "Thinking about what?" At that point I would have had to explain that men are deep thinkers about various topics, which would lead to other questions. She left me alone.

After another beer I pondered the age old question: What is more painful, giving birth or getting kicked in the nuts? Women always maintain that giving birth is way more painful than a guy getting kicked in the nuts, but how could they know?

Well, after another beer or two, and some more heavy deductive thinking, I have come up with the answer to that question. Getting kicked in the nuts is more painful than having a baby. Even though I obviously couldn't really know, here is the reason for my conclusion: A year or so after giving birth, a woman will often say, "It might be nice to have another child." I have never heard a guy say, "You know, I think I would like another kick in the nuts." I rest my case. Time for another beer.
