### President's Corner:

Hi Fellas,

Hope February is off to a good start for you. We have some club and Pacrat races this month so check the calendar for the date.

In other news a few of the area ski resorts have been asking you to sign petitions to protect Oregon Recreation. Basically, the courts have said that the liability waiver you sign is not worth anything to the resort. The resorts claim this has led to large increase in cost of insurance. I'm not trying to take a side but you can be sure if cost go up so will lift ticket prices. Checking Meadows page on 2/6 the price for a day ticket was \$159.00 I don't think we want to see them any higher. Go to the ski areas web pages and read the info.

## Age

A woman decides to have a facelift for her 50th birthday. She spent \$ 5000 for the surgery and seems to be very happy with the results. On the way to her house, the woman stops at a newsstand to buy a magazine.

Before leaving she tells the employee:

"I hope you don't mind my question but... How old do you think I am?"

"About 32 years," replied the employee.

"No, I am exactly 50 years old," replied the proud woman.

A while later, the woman is at McDonald's and asks the cashier the question.

"I guess 29" she replied.

"No, I'm 50 years old," replied the woman.

With self-esteem through the roof, the woman stops at a pharmacy to do some shopping. When she is done, she asks the same question of the cashier.

The boy responds: "I would say 30".

The woman again proudly responds: "No, I'm 50, but thanks for the compliment."

As she waited for the bus to get to her house, the woman asked an old man who was waiting next to her the same question.

The old man replies: "Ma'am, I'm 78 and my eyesight doesn't work like it used to. Although when I was young, we had a good way of guessing a woman's age. It sounds a bit strange, but I would have put my hands on her breasts. Only then can I guess exactly how old she is. "

The woman was silent until her curiosity let her accept the old man's technique.

The man slides his hands under her bra and gently touches her breasts. Carefully he bounces them and compares the weight and size of each.

After a few minutes the woman says to the old man: "Well, tell me... How old am I?"

The man completes his examination with a few more touches and says:

"Ma'am, you are 50 years old."

The surprised woman replies: "Incredible! How did he know?"

"I was behind you at McDonald's." ...

### **The Sunday Service**

A small church had a very attractive big-busted organist named Susan, and her breasts were so large that they bounced and jiggled while she played the organ.

Unfortunately, she distracted the male part of the congregation considerably. The very proper church ladies were appalled.

They said something had to be done about this or they would have to get another organist.

So one of the ladies approached Susan very discreetly about the problem, & told her to mash up some green persimmons & rub them on her nipples and all over her breasts, which should cause them to shrink in size, but warned her not to taste any of the green persimmons, because they are so sour they will make your mouth pucker up & you won't be able to talk properly for a while.

The voluptuous organist reluctantly agreed to try it.

The following Sunday morning the minister walked up to the pulpit and said,

"Dew to thircumsthanthis bewond my contwol, we will not hab a thermon tewday.

### **Two Guys in a Walmart**

Two old guys are pushing their carts through a Walmart when they collide. The first old guy says to the second guy, 'Sorry about that. I'm looking for my wife, and I guess I wasn't paying attention to where I was going.'

The second old guy says, 'That's OK, it's a coincidence. I'm looking for my wife, too. I can't find her and I'm getting a little desperate.'

The first old guy says, 'Well, maybe I can help you find her. What does she look like?'

The second old guy says, 'Well, she is 27 yrs old, tall, with red hair, blue eyes, long legs, and is wearing short shorts. What does your wife look like?'

To which the first old guy says, 'Doesn't matter, let's look for yours.'
