THE SCHNEE VOGELI SKI CLUB

GREEN BUZZARD

WWW.SCHNEEVOGELI.COM

President's Corner:

Hi Fellas,

Well it's time to get on those dancing shoes again, we need some fresh snow especially at Skibowl. We had to postpone the 1st Terry Walter Condor Cup due to snow and lift issues at Skibowl. Pacrat moved a race to Meadows due to low snow at Skibowl. Meadows and Timberline seem to be ok for now. Looks like Bachelor is getting some fresh stuff. Hopefully we'll get a bunch of late February snow, as has been the case in past years. And in true club fashion we had a waxing party at Ed's even though no races were scheduled. It was nice to get together with some of the guys! We don't have any races on the calendar at this point till March but we do have King Winter coming up on the 24th of February. Maybe we can get a World Cup watch party between now and March. Next meeting is the day before Valentine's Day so no excuses, looking forward to seeing everybody.

Cheers,

Bob

Reminder from Membership Director: New this year we have an electronic membership application available. This makes it easy to get new sign ups when not at a meeting. The form is simple, mobile friendly and anyone with the link can input an application. If you would like the link and want to help recruit the future of Schnee, let me know.

I will also be putting together the Season Ender Bender and I'm looking for guys who want to help. I need some guys to help me run down the materials, venue, and band in addition to day of event workers. I would also welcome ideas you have that can help reinvigorate our end of season party.

PACRAT Racing: We have 15 PACRAT racers signed up through the club plus several members racing on teams from other clubs. We have had weather/snow issues so have been able to get one Sunday race (Jan 21) and one Friday race (Feb 2) in. Each

pair of Fri/Sun races makes up one full race. With the issues that have been encountered, participation for the SVSC teams has suffered with 9 of 15 signed up making it to the first race(s). Results are expected to come out in the next few days. Cross your fingers for snow so we can get those Ski Bowl races in. Following is the remaining schedule.

1-Mar	FRIDAY Division - Skibowl
3-Mar	SUNDAY Division - Skibowl
22-Mar	FRIDAY Division - Meadows
24-Mar	SUNDAY Division - Meadows
29-Mar	FRIDAY Make-Up Race Date (If Needed) - Timberline
31-Mar	SUNDAY Make-Up Race Date (If Needed) - Meadows

2nd Annual (Freshly Named) Seedy Petey Photo Contest: As with last year, and hopefully for years to come...

We are announcing the 2nd Annual SVSC Photo Contest. In honor of the winning photo from last year, membership made a motion and voted on naming the Photo Contest: The Seedy Petey Photo Contest.

Like last year I will be accepting any photos that our membership wants added to the competition. Photos are limited to this "season year".

Let them be funny, embarrassing, happy, or awe inspiring. Please send them to historian@schneevogeli.com
Subject: Seedy Petey Photo Contest

I also encourage everyone to send any and all photos and videos that we should keep in memory for the club to me as well. We have a hard drive with lots of space. I want to fill it. So please send anything you feel should be added to the hard drive to historian@schneevogeli.com

If you have anything that may be older, please send with approximate year of the event or photo.

Schnee Tee Shirts and other merchandise are being sold by Ed Carman. Recently, our friendly club president sent out a notice that Ed is ordering some new Schnee hats. Check your inboxes for a chance to jump on this opportunity. Please feel free to reach out to him or myself with any inquiries. His contacts are able to provide logo printing on virtually any article of clothing you could wish for. So, whether you're looking to

represent the club at a local sporting event or if you'd like your wife/girlfriend to represent in the bedroom, we've got you covered.

The Easiest Operation

Five surgeons are discussing who makes the best patients to operate on.

The first surgeon says, "I like to see accountants on my operating table, because when you open them up, everything inside is numbered".

The second responds, "Yeah, but you should try electricians! Everything inside them is color coded".

The third surgeon says, "No, I really think librarians are the best; everything inside them is in alphabetical order."

The fourth surgeon chimes in: "You know, I like construction workers...those guys always understand when you have a few parts left over at the end, and when the job takes longer than you said it would."

But the fifth surgeon shut them all up when he observed: "You're all wrong. Politicians are the easiest to operate on. There's no guts, no heart, and no spine, and the head and butt are interchangeable".

VD Outbreak

"Doc, I think my son has VD," a patient told his urologist on the phone, "The only woman he's screwed is our maid."

"Okay, don't be hard on him. He's just a kid," the medic soothed, "Get him in here right away and I'll take care of him."

"But I've been screwing the maid too, and I've got the same symptoms he has."

"Then you come in with him and I'll fix you both up," replied the doctor.

"Well," the man admitted, "I think my wife has it too."

"Oh crap!" the physician roared, "That means we've all got it!"

Superhero Costume

My wife secretly dressed up in a superhero costume trying to spice things up for us in the bedroom.

I arrived home exhausted after a hard day at work. Shuffling into the bedroom I then collapsed face down on the bed moaning.

Just at that moment I heard the bedroom door suddenly crash open and my wife leaped through with her fists on her hips in a superhero pose. Yalping loudly she boldly exclaims "*SUPERSEX!*"

Hearing this but too tired to move I groaned sleepily through the pillow "I'll take the soup...."

Capt. Buzzard's Note:

Well shit boys that's two false starts for races this year. As president Bob says, keep those dancing shoes on! Looks like cold weather is on the way again.
