THE SCHNEE VOGELI SKI CLUB

GREEN BUZZARD

WWW.SCHNEEVOGELI.COM

President's Corner:

Hi Fellas,

Can you believe it? Two more meetings left in this season! Remember the last two meetings are both vote nights. Two chances to make it if you're hoping to be an associate member, and two more chances to nominate a buddy that you think would be good on the board. Don't think that just because ski season is winding down that the club is too. There are lots of great activities this summer so make sure and check the website calendar for details. Hope to see lots of you at the next two meetings, we have had great turn out all season.

Reminder from Membership Director: New this year we have an electronic membership application available. This makes it easy to get new sign ups when not at a meeting. The form is simple, mobile friendly and anyone with the link can input an application. If you would like the link and want to help recruit the future of Schnee, let me know.

I will also be putting together the Season Ender Bender and I'm looking for guys who want to help. I need some guys to help me run down the materials, venue, and band in addition to day of event workers. I would also welcome ideas you have that can help reinvigorate our end of season party.

PACRAT Racing: We have 15 PACRAT racers signed up through the club plus several members racing on teams from other clubs. The last combined race was April 7 at Timberline. Results will be announced at the Rat Attack April 19 and then will be posted on www.pacrats.org. We have had some issues with racers not being able to

make all of the races so Ruttin Rats and Schnee Ratten teams are not faring so well this year.

2nd Annual (Freshly Named) Seedy Petey Photo Contest: As with last year, and hopefully for years to come...

We are announcing the 2nd Annual SVSC Photo Contest. In honor of the winning photo from last year, membership made a motion and voted on naming the Photo Contest: The Seedy Petey Photo Contest.

Like last year I will be accepting any photos that our membership wants added to the competition. Photos are limited to this "season year".

Let them be funny, embarrassing, happy, or awe inspiring.
Please send them to historian@schneevogeli.com
Subject: Seedy Petey Photo Contest

I also encourage everyone to send any and all photos and videos that we should keep in memory for the club to me as well. We have a hard drive with lots of space. I want to fill it. So please send anything you feel should be added to the hard drive to historian@schneevogeli.com

If you have anything that may be older, please send with approximate year of the event or photo.

Schnee Tee Shirts and other merchandise are being sold by Ed Carman. Recently, our friendly club president sent out a notice that Ed is ordering some new Schnee hats. Check your inboxes for a chance to jump on this opportunity. Please feel free to reach out to him or myself with any inquiries. His contacts are able to provide logo printing on virtually any article of clothing you could wish for. So, whether you're looking to represent the club at a local sporting event or if you'd like your wife/girlfriend to represent in the bedroom, we've got you covered.

The Season Ender Bender is right around the corner. We'll be passing around a sign-up sheet looking for volunteers to work the door (heads up associates, you'll need to work the door at this event or the Pray For Snow event to qualify for full membership). You may have also noticed that Christian Bennet has been selling tickets to the event. Hit him up if you're interested in purchasing some. This is a great event to bring friends and family to so feel free to pass the invitation along to folks outside of our normal ski community. The more, the merrier!

Precious Material

The science teacher stood in the front of the class and said, "Children, if you could have one raw material in the world, what would it be?"

Little Stevie raised his hand and said "I would want gold, because gold is worth a lot of money and I could buy a Corvette." The teacher nodded, and then she called on little Susie.

Little Susie said, "I would want platinum because platinum is worth more than gold and I could buy a Porsche." The teacher smiled, and then she called on Little Johnny.

Little Johnny stood up and said, "I would want silicone."

The teacher said, "Silicone? Why silicone, Little Johnny?"

"Because my mom has two bags of the stuff and you should see all the sports cars outside our house!"

More Tail

A guy is outside in his front yard attempting to fly a kite with his son. Every time the kite gets up in the air, it comes crashing down.

After this goes on for a while, his wife sticks her head out the front door and yells, "You need more tail."

The guy turns to his son and says, "Son, I never will understand women. I just told her an hour ago I needed more tail, and she said to go fly a kite!"

The Sergeant

An army sergeant walks into a drugstore and places a ragged condom on the counter. "How much to repair this?", he asks.

The pharmacist looks over the condom, saying "It's ripped in a couple of places, and there are several holes in it, but it's repairable. But honestly, I'd just replace it with a new one".

The sergeant said he'd have to go away and think it over.

Later that day he returned. "After much discussion", he said to the pharmacist, "The regiment has decided to invest in a new one!".

Capt. Buzzard's Note:

There've been a lot of great events over the past few weeks. I've decided to include some photos for those of you who were unable to attend.

The photos are from our final Terry Walters Condor Cup race and Eddie's birthday party. Thanks again Eddie for hosting such a great event! Great times had by all!
