

THE GREEN BUZZARD

PRESIDENT'S CORNER

Hey Guy's,

I hope you all are enjoying the summer so far. I'd like to extend a thank you to everyone who came out and helped at the highway cleanup, many hands made light work. We had a strong showing of new guys and Ed hosted us for lunch at the Huckleberry. The prize for most interesting find goes to Robert Brockmeyer with a pair of surprisingly decent channel locks.

We've got a lot of activities coming up starting in August, so make sure you check out our events calendar. You'll also be getting separate messages with some updates about the golf tournaments. If you're doing something noteworthy on your own, make sure to represent the club, bring a flag or wear your logo gear and grab a picture for the historian. Who knows, bragging rights might earn you something.

I'll catch you at the picnic.

ENTERTAINMENT

Marriage

A wife got so mad at her husband she packed his bags and told him to get out. As he walked to the door she yelled, "I hope you die a long, slow, painful death."

He turned around and said, "So, you want me to stay?"

Beverage Service

A Mormon and an Irishman are seated next to each other on a flight from Dublin to Salt Lake City.

After takeoff the flight attendant comes by to take drink orders. The Irishman asks for whiskey, which is promptly placed before him.

The flight attendant then asked the Mormon if he would like a drink. He replied "I'd rather be savagely raped by a dozen whores than let liquor touch my lips."

The Irishman then handed back his drink and said, "Me too, I didn't know we had a choice."

CAPTAIN BUZZARD NOTES

Well that's it for my first Buzzard. Decided to spice up the layout a bit. My goal was to make it easier to jump to the topics you care about most. I would like to start including more events on our calendar. I am working on a few hiking trips this summer (Timberline Trail and Mt. Defiance). Once I have dates, I will send invites to any Schnee's that would like to join. Let me know if you have any exciting plans you would like to include the rest of the club in. I will include it in the upcoming events for the next Buzzard.

See you on the Mountain.
