

# THE GREEN BUZZARD

## PRESIDENT'S CORNER

Hey Guys,

I hope you are all soaking in the summer, soon enough we'll all be back on the slopes. After a brief lull earlier in the summer, the picnic and golf season is off to a strong start thanks to the persistent efforts of Don Clay for the golfing and John Orefice on the picnicking. I'm not much of a golfer but I am very excited about the shotgun shoot in early September, another one of Don's efforts. It's worth making the effort to attend even if you're a complete novice with a shotgun.

In the background the officers and I are starting to piece together our upcoming season. Nothing is set in stone yet but we're hoping to bring the usual roster plus some new opportunities. More to come.

## WhatsApp stuff

For those of us that do not look at our emails often, we have created a WhatsApp community for the membership. I would encourage everyone to try it out. Our email listserv is clunky and not cell phone friendly. The hope is this will allow for easier communication with event organization and last-minute updates. **All our existing communications will not be changing.** We are simply adding an extra layer here to see if it will be of benefit.

Once you have downloaded the app to your phone and started your account, you can click this link to join the Schnee community.

## **Les Segal**

Unfortunately, Les Segal, a long time Schnee, passed away at his home in Mexico. He had been recovering from a bicycle accident for several weeks. Les joined Schee back in 1960. He had been living in Mexico. Les is survived by his current girlfriend, his ex-wife (Michelle), his son, three daughters and four grandchildren. It does not appear that there will be any memorial service plans in the US. If anyone has any photos or special memories of Les, please bring them to the next meeting to help us in a moment of remembrance for our lost Schnee.

## Shoe Shopping

I bought shoes from a drug dealer once...

...I'm not sure what he laced them with, but I have been tripping all day!

## Check-up

During my annual check-up I asked my doctor, "Do you think I'll live a long and healthy life then?"

He replied, "I doubt it. Mercury is in Uranus right now."

I said, "I don't buy into all that astrology nonsense."

He replied, "Neither do I. My thermometer just broke."

## Football

A Guy Takes His Girlfriend To Her First Football Game. They had great seats right behind their team's bench.

After the game, he asked her how she liked the experience.

"Oh, I really liked it," she replied, "especially the tight pants and all the big muscles, but I just couldn't understand why they were killing each other over 25 cents."

Dumbfounded, her date asked, "What do you mean?"

"Well, they flipped a coin, one team got it, and then for the rest of the game, all they kept screaming was, 'Get the quarterback! Get the quarterback!' I'm like, hello? It's only 25 cents!"

## CAPTAIN BUZZARD NOTES

Summer has been going great, but I have to say I am missing that pecan salad at the Gap. We are getting ready for another year on the mountain. Please remember to reach out to me if you need help announcing any events. Send your photos from your summer shenanigans to the club historian ([historian@schneevogeli.com](mailto:historian@schneevogeli.com)) so they can be archived for future generations (and considered for the annual photo contest).

See you on the Mountain.

## Rules

Mulligans = Ladies 2 per 6-hole game

Mulligans = Men 1 per 6-hole game

KPS on ALL par 3's for men and women

Long Drive #3 Thistle and #2 on Pine Cone for both men and ladies

KP's must be on the green, long drives in the fairway

\*\*\*\* Mulligans can't be used for KPs or Long Drives

### Holes 1-6 Kind of like Best Ball

Both players hit off the tee, men on white and ladies on red, pick the best drive and both players play from there. After hitting your second shot you must play your own ball the rest of the way into the hole. Mark down the lowest score between the two players.

### Holes 7-12 is Alternating Golf Shots

This is easy (NOT REALLY!!) Both players hit off their tee, pick the best drive and the person who did NOT hit that drive must hit the next shot. The other player must hit the next shot after that, and you must continue to alternate each shot until you are in the hole, and that would be your score.

### Holes 13-18 is the Couple Scramble

Both players hit off the tee, pick the best drive and both players hit from that spot. Take the next best shot and both players play from there. Keep doing this until you hole out and that would be your score. Are you done breathing hard and ready for food and drink? Here is the answer.
